Form 990, Part III, Line 4a:

Meet Basic Needs Resource advocates on the Community Access Team (CAT) respond to members' immediate needs with services that include showers, laundry, naps, mail service, locker storage, telephone access, and an extensive array of resources and referrals. Similar to the CAT response, TGP's Family Program provides support to families in a safe, nurturing, and developmentally rich environment and the team is available to care for children while mothers/guardians utilize or participate in other TGP services and programs (Continues on Schedule O) In our community dining room, the Food Services Program serves freshly prepared meals (breakfast, lunch, and early dinner) that include healthy and delicious options, which accommodate most dietary needs and preferences. For example, vegetarian options are available for meals. Our Food Pantries (Betsy's Cupboard and Family Program) provide healthy groceries, baby food/formula, toiletries, and diapers. Bridget's Boutique, TGP's clothing bank, distributes clothing to members who have an emergency need for replacement clothes or need clothes for employment reasons.

Form 990, Part III, Line 4b:

Foster Personal Growth TGP's Education and Job Readiness Program helps members reach their goals, advance their education, improve their employment potential, and increase their income Educational opportunities for adult members at TGP include the High School Equivalency Program, Skills Development Classes, Writers Group, and Book Club The High School Equivalency Program is provided in collaboration with Community College of Denver and provides students who test at a seventh grade level or above with classroom instruction in a dedicated study room, pays testing fees, and provides access to computers for studying and taking tests (Continues on Schedule O) Students who have a reading level below seventh grade can increase their reading level and math skills through the Skills Development Classes, which are led by volunteers, and include instruction in English as a second language Additionally, all members are welcome to participate in the drop-in Writers Group and Book Club, which also bolster literacy and learning Job readiness opportunities include job search assistance, onsite job fairs, and private appointments Job search assistance sessions, held twice per week, include dedicated time in the computer lab to complete online job applications, help from volunteers on resume and cover letter building, and assistance with conducting online job searches At least once a month, a job fair is hosted onsite and can either be a practice event with human resource volunteers or an actual hiring fair with an employer Private appointments with the Job Readiness Program Manager also provide members a chance to discuss their job or education related needs and get referrals, assistance, and advice TGP's computer lab provides access to technological opportunities and offers freedom of choice in a modern lab Volunteers run the lab and are available to help members learn computer software and programs Because many businesses, educational institutions, and service providers are increasingly dependent on computer and web-based services, the importance of "computer literacy" cannot be overestimated The Physical and Mental Health Program promotes wellness and growth by increasing access to health care information, services, and referrals Bringing partner agencies and pro bono health professionals onsite to serve members relieves various barriers to care (e g , transportation) for members who are already at TGP for other reasons Additionally, by building trusting and collaborative relationships with both members and partner agencies, TGP is able to provide "warm hand-off" referrals where members are introduced personally to outside partner agencies, improving the success rate of such referrals The program also provides assistance to pay for prescriptions or pharmacy gift cards for minor medical supplies and over the counter medications The Arts Program is a broad category of creative programming that includes greeting card art, knitting and crocheting, open art, a creative writing group, and a music group These endeavors have intangible benefits such as increased self-esteem, the opportunity to be part of a caring community, and the chance to engage in creative expression

Form 990, Part III, Line 4c:

Social Enterprise Art Restart Art Restart was launched in 2014 as a social enterprise to diversify and expand TGP's funding sources and give members an opportunity to earn supplemental income from their artistic talents through sales marketed throughout the United States. Art Restart provides members with the support and supplies they need to create their own art. Select pieces are then turned into custom merchandise from which the artists receive a royalty on every purchase made. Art Restart was recently chosen as a social venture finalist out of 150 applicants in a competitive process with over 138 judges from around the United States. 990 Schedule O, Supplemental Information

Return Reference	Explanation
Form 990, Part VI, Section B, line 15	<p>The President/CEO's compensation is set by the governing board and reviewed annually as part of the President/CEO's annual performance evaluation conducted by the governing board. The salary range for the President/CEO is given to the chair of the governing board by the VP of Internal Resources, based on The Colorado Nonprofit Association salary survey and the Employer's Council Nonprofit Salary survey at the time the board of directors is working on the President/CEO's performance appraisal. The performance appraisal is discussed by the board and is based on the successful completion of the business plan and the CEO core competencies. The performance appraisal and any recommendations are put in the President/CEO's personnel file. The VP of Internal Resources' compensation is determined using the same process by which all other employee compensation is determined. Annually, the President/CEO meets with the VP of Internal Resources to review projected budget and salary ranges. Ranges are currently based on the 50th percentile of The Colorado Nonprofit Association salary survey for each position. We strive to compensate within the range based on experience, qualifications, and length of service. The President/CEO meets with the VP of Internal Resources to discuss each position and where that employee is in relation to their salary range. The Board of Directors approves the aggregate compensation of all employees through its review and approval of the annual budget. The organization documents general information on compensation decisions, the current salary range, the percent/amount of the increase that was given, the percent of increase still needed to get the employee into their range (if applicable) and information regarding our priorities for salaries that year.</p>
