990 Schedule O, Supplemental Information

Return Reference	Explanation
Form 990, Part VI, Section B, line 15	<p>The President/CEO's compensation is set by the governing board and reviewed annually as part of the President/CEO's annual performance evaluation conducted by the governing board. The salary range for the President/CEO is given to the chair of the governing board by the VP of Internal Resources, based on The Colorado Nonprofit Association salary survey and the Employer's Council Nonprofit Salary survey at the time the board of directors is working on the President/CEO's performance appraisal. The performance appraisal is discussed by the board and is based on the successful completion of the business plan and the CEO core competencies. The performance appraisal and any recommendations are put in the President/CEO's personnel file. The VP of Internal Resources' compensation is determined using the same process by which all other employee compensation is determined. Annually, the President/CEO meets with the VP of Internal Resources to review projected budget and salary ranges. Ranges are currently based on the 50th percentile of The Colorado Nonprofit Association salary survey for each position. We strive to compensate within the range based on experience, qualifications, and length of service. The President/CEO meets with the VP of Internal Resources to discuss each position and where that employee is in relation to their salary range. The Board of Directors approves the aggregate compensation of all employees through its review and approval of the annual budget. The organization documents general information on compensation decisions, the current salary range, the percent/amount of the increase that was given, the percent of increase still needed to get the employee into their range (if applicable) and information regarding our priorities for salaries that year.</p>
