Return Reference	Explanation
Part I, Line 2:	Individual assistance: In general, the organization asks that clients have some form of ID for client services for furniture, food boxes, house-ware and clothing items. (This is mainly so that the organization and other agencies share/review what is being given away so that the services are not abused or duplicated). Assistance is typically provided to anyone who asks, unless the organization does not have the item on hand. However, there are limits to the number of furniture items, etc. that a person can receive during a month. Organizational assistance: Recipients are required to complete an Ethical Disclosure Form which is used to determine if the NPO will receive grants. Expense reports and grant accomplishment detail is provided by recipients of grants over \$50,000. Onsite field visits are also conducted to insure grants are expensed in accordance with grant agreements.
