Return Reference	Explanation
Part X, Line 2	<p>The Center is a Section 501(c)(3) organization exempt from taxation under Internal Revenue Code Section 501(a). Accordingly, no provision is made in the accompanying financial statements for federal and state income taxes. Income from certain activities not directly related to the Center's tax exempt purpose however, may be subject to taxation as unrelated business income. Management is not aware of any matters which would cause the Center to lose its tax-exempt status. Management has considered its tax positions and believes that all of the positions taken in its federal and state exempt organization tax returns are more likely than not to be sustained upon examination. The Center's returns are subject to examination by federal and state taxing authorities, generally for three years and four years respectively, after they are filed. The Center recognizes interest and penalties related to unrecognized tax benefits in administrative and general expenses and accounts payable and accrued expenses in the accompanying financial statements. During the year ended September 30, 2018, the Center did not recognize any interest and penalties.</p>
