Part V, Line 4: Intended uses of the endowment fund.	The charitable trust agreement allows the greater of (1) the entire net income generated by the fund or (2) the "minimum investment return" to be distributed each calendar year to Christian Family Care Agency for operational activities. Return Reference	Explanation
Part X : FIN48 Footnote	<p>The Organization is exempt from income taxes under Internal Revenue Code Section 501(c)(3) and applicable state law. Contributions to the Organization are tax deductible within the limitations described by the Code. The accounting standard on accounting for uncertainty in income taxes addresses the determination of whether tax benefits claimed or expected to be claimed on a tax return should be recorded in the financial statements. Under that guidance, the Organization may recognize the tax benefit from an uncertain tax position only if it is more likely than not that the tax position will be sustained on examination by taxing authorities based on the technical merits of the position. Examples of tax positions include the tax-exempt status of the Organization and various positions related to the potential sources of unrelated business taxable income (UBIT). The tax benefits recognized in the financial statements from such a position are measured based on the largest benefit that has a greater than 50% likelihood of being realized upon ultimate settlement. There were no unrecognized tax benefits identified or recorded as liabilities for the year ended September 30, 2020. The Organization's informational tax returns are subject to review and examination by federal and state authorities. The tax returns for the years ended September 30, 2017 to 2019 are open to examination by federal authorities and for the years ended September 30, 2016 to 2019 by state authorities.</p>
