| Grantmaker's Description of How Grants are Used | The Organization has an application for grantees to complete for eligibility. The application outlines program goals and explains the use of the funds. Grants allocations are paid quarterly. Monitoring by the Organization is done through (6) and (12) month compliance reporting, which provides the Organization with information regarding the funds being used in accordance with the application, goal attainment progress and demographics. The 3rd quarter grant payout is contingent upon receipt of an agency's 6 month compliance report. The Organization evaluates the compliance reports and follows up with site visits, which help determine continued eligibility. |
