Part III Statement of Program Service Accomplishments

Check if Schedule O contains a response or note to any line in this Part III

1 Briefly describe the organization's mission

The road can be foreboding for people struggling to reenter mainstream society after years of displacement due to military service, incarceration, substance dependency and/or homelessness. The mission of OPCS is to provide housing, counseling and support services to help these individuals find their way home. We have adopted the "Housing First" model across all of our programs. This model allows OPCS to help homeless individuals find housing while providing treatment services for substance abuse issues. Our clients consist of both Seriously Mentally Ill (SMI) and General Mental Health and Substance Abuse (GMHSA) disorders. Within all the Programs listed below, we provide behavioral health services, utilizing AHCCCS, which is federal Medicaid funding at our local level. This has become a significant part of the revenue, which has replaced previous federal grant funding.

2 Did the organization undertake any significant program services during the year which were not listed on the prior Form 990 or 990-EZ? Yes No

If "Yes," describe these new services on Schedule O

3 Did the organization cease conducting, or make significant changes in how it conducts, any program services? Yes No

Name: Old Pueblo Community Services

Form 990 (2018)

Form 990, Part III, Line 4a:

Veteran Recovery Communities Program OPCS works with veterans that have served in the United States Armed Services including those with PTSD, substance abuse, mental illness, a criminal justice history, and those returning to the community after hospitalization, treatment, and/or combat. The program's goal is to end chronic homelessness among our veteran population. We provide them assistance while they move from street homelessness to permanent supportive housing. This includes housing, clinical treatments, necessity items, and other support services. We currently have six veteran communities which include 94 transitional housing beds. We served approximately 575 veterans during 2018 and over 70% of them achieved housing stability at exit. We operate this program in partnership with the Veterans Administration, the City of Tucson and other community partners. The program is funded entirely by government grants.

Form 990, Part III, Line 4b:

Reentry Program Approximately 13,000 prisoners are released every year in Arizona, 2,000 of these former inmates will return to Pima County. These individuals face a range of challenges including housing, substance abuse, mental illness, and difficulty in finding employment. The goal of Old Pueblo's Reentry Program is to help these men and woman reintegrate successfully into our community to prevent recidivism. We offer them housing, counseling, substance abuse treatment, employment assistance and other support services. Last fiscal year our program served 434 individuals, representing 22% of the total reentry population in our county. At exit, approximately 149 obtained permanent housing and 44% had an income. This program is funded primarily by government grants. Funding from our Home Fund helps cover some of the program's expenses. The Home Fund is comprised of donations from individuals as well as corporate and foundations grants. Last year, over \$80,000 from the Home Fund were used to provide "scholarships" to reentry clients.

Form 990, Part III, Line 4c:

Supportive Housing Program This program aims to end homelessness by providing long-term homeless individuals with dignified, supportive housing, without barriers such as pets, partners or active addictions, so they are no longer living on the streets or in shelters. People experiencing long-term homelessness have myriad vulnerabilities. Once housed, individuals can connect with health care providers and case managers, engage in support groups, establish routines, build relationships with friends and family, and move on to more independent living, decreasing their need for services over time. We have funding for approximately 160 units of permanent supportive housing. Clients are screened to determine those with the highest level of need. These are the clients that are housed first. Last year, this program served 195 clients. All clients have access to support services through OPCS, as well as the community at large.

Return Reference	Explanation
Part X, Line 2	<p>The Organization is a Section 501(c)(3) organization exempt from taxation under Internal Revenue Code Section 501(a). Accordingly, no provision is made in the accompanying financial statements for federal and state income taxes. Income from certain activities not directly related to the Organization's tax-exempt purpose, however, may be subject to taxation as unrelated business income. Management is not aware of any matters which would cause the Organization to lose its tax-exempt status. Management has considered its tax positions and believes that all of the positions taken in its federal and state exempt organization tax returns are more likely than not to be sustained upon examination. The Organization's returns are subject to examination by federal and state taxing authorities, generally for three years and four years, respectively, after they are filed. The Organization recognizes interest and penalties related to unrecognized tax benefits in management and general expenses and accrued expenses in the accompanying financial statements. During the year ended December 31, 2018 and 2017, the Organization did not recognize any interest and penalties.</p>
