ADULT services - Navos is recognized in Washington State as a pioneering agency incorporating recovery concepts in clinical programs to empower clients and partner with them. An evaluation of the client's needs is made including all aspects of present problems, family history, medical/mental health, and desired outcomes of treatment. A service plan is then developed. The plan identifies any advocacy needed and is periodically reviewed and updated by the client and clinical staff. Navos has developed a successful training program to develop peer counselors, and relies on these counselors to help clients achieve the goals they choose. Navos also provides supported employment, domestic violence, and chemical dependency programs for adults. Older adult services - Individuals 60 and older are helped to live lives that are as satisfying and as independent as possible, despite the challenges mental illness poses. Part X, Line 2	<p>The Internal Revenue Service has recognized Navos and NMTC as exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code. Generally accepted accounting principles require that a tax position be recognized or derecognized based on a "more likely than not" threshold. This applies to positions taken or expected to be taken in a tax return. The implementation of this accounting policy had no impact on the consolidated statements of financial position or consolidated statements of operations. Navos does not believe it has any uncertain tax positions.</p>
