Part I, Line 2	We obtain grant funds through applications and proposals in response to solicitations and requests from a variety of public funders. Once grant awards are made, and contracts and budgets are in place, we enter incurred expenditures in our accounting system (ABILA). Then follows submission of request for reimbursement on either a monthly or quarterly basis with any required back-up documentation. This back-up documentation consists of payroll records (pay stubs and timesheets), GL Reports, and copies of AP invoices with coding noted to demonstrate the grant being charged. We maintain a "master" Excel spread sheet showing requests for reimbursements and marking of subsequent payments or collection, as well as individual excel spreadsheets for each grant contract showing expenditures charged of the contract, date of reimbursement request, and date of payment.
