4a (Code) (Expenses \$ 1,300,065 including grants of \$) (Revenue \$)
 Social Responsibility & Child Care - Our YMCA believes in giving back and supporting our neighbors. We have been listening and responding to our community's most critical social needs for more than 70 years. We engage members, participants, and volunteers in activities that strengthen our community and pave the way for future generations to thrive. Our YMCA cares for preschool and school age children with both full and part time options serving a wide range of family scheduling needs. Our child care programs relieve the burden of balancing work and family to make it possible for parents to remain gainfully employed, knowing that their children are thriving in a safe, developmentally sound environment. The YMCA provides financial assistance for all child care services so there is no barrier to participation.

4b (Code) (Expenses \$ 688,819 including grants of \$) (Revenue \$)
 Member Services & Youth Development Programs - Our YMCA is committed to nurturing the potential of every child and teen. We believe that all kids and teens deserve the opportunity to discover who they are and what they can achieve. That's why we help young people cultivate the values, skills, and relationships that lead to positive behaviors, better health, and educational achievement. Our YMCA programs, such as preschool, child care, afterschool, camp, youth sports and swimming lessons, offer a range of experiences that enrich cognitive, social, physical, and emotional growth. Financial assistance is available so a young person's economic circumstances are not a barrier to participation.

4c (Code) (Expenses \$ 685,683 including grants of \$) (Revenue \$)
 Healthy Living for Youth, Adults, Seniors and Families - Our YMCA is committed to health and well-being by bringing families closer together, encouraging good health, and fostering connections through fitness, sports, fun, and shared interests. As a result, many people in our community are receiving the support, guidance, and resources they need to achieve greater health in spirit, mind, and body. This is particularly important as our nation struggles with an obesity crisis, families struggle with work/life balance, and individuals search for personal fulfillment. Our programs are designed to help people create realistic goals for self-improvement and emphasize disease prevention through regular exercise, proper nutrition, stress management and health education. We provide financial assistance to people who otherwise would have faced economic barriers to participation.
