Return Reference	Explanation
Part X, Line 2	Generally accepted accounting principles provide accounting and disclosure guidance about positions taken by an organization in its tax returns that might be uncertain. Management has considered its tax positions and believes that all of the positions taken by the Organization in its federal and state exempt organization tax returns are more likely than not to be sustained upon examination. The Organization's tax returns are subject to examination by federal and state taxing authorities, generally for three and four years, respectively, after they are filed. The Organization follows the accounting guidance for uncertain tax positions. Management determined that there are no uncertain positions as of June 30, 2017.
