Part X, Line 2	LIIF is a nonprofit organization that has been recognized by the Internal Revenue Service and the Franchise Tax Board as an organization that is exempt from federal income tax on its income other than unrelated business income under Section 501(c)(3) of the Internal Revenue Code and Section 23701(d) under the California Revenue and Taxation Code, respectively. In addition, LIIF has been recognized by the Internal Revenue Service under Section 170 of the Internal Revenue Code as an organization that is eligible to receive tax-deductible contributions. LIIF has accounted for the uncertainty in income taxes as required by the Accounting for Uncertainty in Income Taxes topic of the FASB Accounting Standards Codific ation (ASC). LIIF uses a comprehensive model for recognizing, measuring, presenting and disclosing in the financial statements tax positions taken or expected to be taken on a tax return. A tax position is recognized as a benefit only if it is "more likely than not" that the tax position would be sustained in a tax examination, with a tax examination being presumed to occur. The amount recognized is the largest amount of tax benefit that is greater than 50 percent likely of being realized on examination. For tax positions not meeting the "more likely than not" test, no tax benefit is recorded. The effect of applying this model and the resulting identification of uncertain tax positions, if any, were not conside red significant for financial reporting purposes and are not anticipated to change in the 12 months following June 30, 2017. During the years ended June 30, 2017 and 2016, LIIF recognized no interest or penalties associated with unrecognized tax benefits. LIIF is subject to the filing of U.S. federal, New York, and California informational returns Federal and New York are ended June 30, 2017, are currently open for potential federal and state examination. LIIF has for-profit subsidiary entities that are subject to the filing of limited liability corporation tax returns which may include U.S. feder
