Name: Seattle Neighborhood Group

Form 990 (2017)

Form 990, Part III, Line 4a:

The Safe Communities project emphasizes crime prevention and community building in Seattle's most vulnerable communities through collaborative partnerships. We provide leadership development, crime prevention education, grass roots organizing and crime "hotspot" problem solving. Outcomes include connecting people to their communities and providing access to community services and activities. We work to reduce the specific community risk factors of community disorganization, perceived availability of drugs and firearms, and laws and norms favorable to drug use. We also work to strengthen the protective factor of neighborhood attachment. SNG collaborates in place-based problem solving using Crime Prevention Through Environmental Design site analysis in high crime locations, provides community support at various events, conducts community education in Crime Prevention for Property Owners & Managers, Personal Safety, Calling 9-1-1, Vehicle Security, and Identifying Suspicious Activity. Our brochures are available in 11 languages, and our trainings regularly incorporate interpretation for various language groups as needed.

Form 990, Part III, Line 4b:

Get Off the Streets (GOTS) is a partnership of SNG, the Seattle Police Department, City of Seattle Human Services Department, and People of Color Against Aids Network (POCAAN). The goal of the GOTS program is to reduce crime in Seattle's East Precinct by providing services to people involved in non-violent street crime who are drug/alcohol dependent and homeless.

Form 990, Part III, Line 4c:

SNG supports communities in several other ways. The Impact! Safe Schools conference is a collaborative effort between SNG, Seattle University, the Seattle Police Department, and Seattle Public Schools that is designed for Seattle area high school students in leadership or peer influence positions. The conference objective is to challenge and provide high school leaders with the knowledge and opportunity to help shape and maintain a safe and secure environment within their respective high schools. SNG conducts Landlord Training Workshops for landlords and property managers throughout the year. Workshops focus on keeping rental properties safe of illegal activity through effective property management, and techniques for dealing with nuisance or illegal activities by tenants. We also work closely with several partner organizations in the community by providing fiscal sponsorship, mentoring, administrative assistance, encouragement and support. Crime Prevention Through Environmental Design (CPTED) is a powerful set of concepts that we use at SNG to help communities in their crime prevention efforts. Using CPTED design protocols, crime data, and site user interviews, we analyze a site for a range of physical attributes that make site visitors feel unsafe or provide opportunities for crime. We share this analysis with community stake holders for them to problem solve on how to make the appropriate changes to the environment.
