Part IX – A Summary of Direct Charitable Activities

West Rockingham Food Pantry's only direct charitable activity is to provide food to supplement the nutritional needs of low-income families in our local area. Monetary donations collected from the general public are used to purchase food, which is then distributed to the needy families. The program benefited an average of 242 individuals per month in 2019. West Rockingham Food Pantry is an all-volunteer organization including officers, directors and workers.

Part X Line 4

As a simple food pantry, the vast majority (97%) of the money collected is used to buy food and milk to be distributed to the needy. With donations and the number served fluctuating each month, WRFPP needs to carry a balance that would allow the pantry to purchase food and milk to meet the needs of those it serves each month. In 2019, the food pantry experienced seven months where it spent more on expenses than it received in contributions. If the food pantry does not maintain a balance, there may not have been enough money to meet the needs for the leaner months of the year. In addition, carrying a balance allows WRFPP to help in emergency situations throughout the year.
