Our programs facilitate the development of the whole child through meaningful experiences, programs, and collaborations that build relationships and a sense of community. Currently, the Y delivers curriculum-based programming on 76 school campus locations throughout Orange County, Riverside County and Pomona Valley. In addition, we provide year-round experiences through day camps and clubs. Youth experience curriculum through a variety of content areas, hands-on activities, clubs, service learning projects, and enrichment centers.

Form 990, Part III, Line 4b:

The YMCA provides comprehensive health & wellness programming to youth and adults in the Orange and Los Angeles Counties. Through quality programs and partnerships that span across 7 locations and 7 cities, the community receives opportunities to engage in healthier habits, community involvement, giving back, and being connected. The Y is a place where everyone can work toward their own goals by challenging themselves to learn a new skill or hobby, fostering connections with friends, and bringing loved ones closer together through family-centered healthy activities. At the Y, it's not the activity as much as it is about the benefits of living healthier together.

Form 990, Part III, Line 4c:

The YMCAs mission does not stop at traditional school or fitness setting, but extends beyond to meet the needs of those in our community who may have special needs. Through key programs, the Y offers all community members the ability to participate in programs, make new friends, build memories, and live life to their best. New Horizons is a program for adults living with developmental disabilities and special needs ages 18 and up. The New Horizons program provides safe and supervised recreational outings in the community that offer social interaction, skill building, and lifelong friendships. While participants are having fun, their full-time caregivers are provided with the "time off" they need to better care for their loved ones.
