Grantmaker's Description of How Grants are Used	<p>Through the Community Impact Fund, United Way of San Luis Obispo County supports programs, projects and activities in San Luis Obispo County offered by charitable organizations that have a current tax-exempt status under the Internal Revenue Service under Section 501(c)(3) and that have held this status for at least three years. Organizations that do not meet this criterion may seek a collaborative partner to serve as the lead agency or fiscal agent for a joint application. United Way of San Luis Obispo County is committed to equal employment opportunity and nondiscriminatory service provision. In order to be eligible for funds from United Way's Community Impact Fund, agency programs receiving funds may not discriminate against recipients of program services because of race, ethnicity, religion, national origin, age, gender, sexual orientation, marital status, or physical and/or mental disability. The United Way Board of Directors will make the determination whether an agency complies with this policy. United Way further encourages agencies to adopt the broadest possible nondiscrimination policies in the interest of inclusiveness in services to the community. Applicants must verify and demonstrate sound financial management, fiscal accountability and managerial and/or administrative competence. At the time of review, each program will be identified as one of three categories: remediation, capacity building or structural change. Although grants are awarded at the discretion of the United Way Board of Directors, we make every effort to fund programs in each category. In addition, proposals for Community Impact Fund grant awards will be evaluated specifically on the following criteria: * Addresses at least one of United Way's three community impact areas, * Has a positive impact on the community, producing clearly identified outcomes that contribute to the quality of life for SLO County residents, * Represents a clearly-defined and integral part of an organization's overall, coherent strategy for meeting a community need, * Leverages other resources from inside or outside the community - that is, uses current resources to generate or facilitate the generation of additional resources in the form of matching grants, in-kind donations, volunteers, etc. Funding decisions are made through a rigorous community volunteer process that insures accountability and capacity for delivery and that encourages community problem-solving innovation. Site visits may be conducted by United Way volunteers during the grant review process. Also during this time, additional information may be requested of the agency at the discretion of United Way volunteers or staff. Successful grantees will be required to provide two semi-annual reports detailing how the funds are used and reporting the measurable outcomes of the use of grant funds for the organization and the community. United Way does not directly oversee the use of designated funds.</p>
