

# Isometric Standard 1.1.0

Public Consultation Summary

## Context

Isometric held a public consultation on the new 1.1.0 version of the Isometric Standard in order to receive stakeholder input.

The public consultation was announced on Isometric's website on the 8th of January, 2024. The Standard was open for general feedback until the 9th of February, 2024. No feedback was received during the consultation. The proposed changes were therefore released and went into effect as a version 1.1.0 on 9th of February, 2024.

We want to thank anyone who considered the changes for their time.
