

ISRAEL HLS & CYBER 2022

THE 7TH INTERNATIONAL CONFERENCE & EXHIBITION
RETURNING TO THE PHYSICAL DIMENSION

November 27-29, 2022

Intercontinental David Hotel, Tel Aviv

The Israel Export Institute and the Foreign Trade Administration at the Ministry of Economy and Industry, in cooperation with the Ministries of Foreign Affairs, Public Security, Israel National Police, Sibat – Ministry of Defense and the Manufacturers Association of Israel are **honored to invite you to Israel's 7th International HLS & Cyber Conference and Exhibition.**

Over the years, the conference has developed into a world-leading event in the field of HLS and cyber, bringing together top-level decision makers and C-level executives, and **generating thousands of business interactions.**

Initiated by the Israel Export and International Cooperation Institute and the Foreign Trade Administration at the Ministry of Economy and Industry, this much-anticipated HLS and cyber event **will return to a face-to-face experience.** As in the past, the event will feature a conference, exhibition, and live demos of the most innovative and field-proven solutions developed by Israel's HLS and cyber ecosystems - from well-known global players to emerging startups.

This event is of immense business importance as it represents a **unique opportunity to unveil and demonstrate Israeli technology solutions in the most trending and evolving fields of homeland and cyber security.** These include the fields of: public safety, emergency preparedness and response, border control, critical infrastructure protection, anti-terrorism, law enforcement and first responders.
