THE SECRET POWER OF HERBS!

At Moraz Medical Herbs, global company specializing in phytotherapy, we develop unique extraction techniques for leveraging the properties of our healing plants and provide skin & hair care products with very high concentrations (60% to 99%) of herbal extracts including our exclusive & miraculous plant, the Polygonum.

We offer effective and safe products for all family members that protect, repair, heal, and beautify the skin.

With strong clinical support, our 6 lines of herbal-based products cover the needs of all common skincare and treatment. Sold very successfully worldwide in retail stores and e-commerce platforms.
