

A photograph of a modern interior. In the center, a glowing spherical lamp with a white wireframe pattern sits on a tall, thin wooden stem, which is placed on a small, square, yellow-painted wooden table. To the right, a black chair with wooden legs is partially visible. In the background, a white shelf holds a glass bowl filled with lemons. The wall is a light, neutral color, and the overall lighting is warm and ambient.

STUDIO CHEHA

Company Preview 2023

Who We Are

A professional design and consulting studio, lead by husband and wife team Nir and Aya Chehanowski.

Our intent is to enhance our customer's lives with elegant aesthetics and modern design, that **brighten everyday environments** in a whole new “Cheha light.”

Our Studio

- **Established in 2014**, after creating a buzz on several crowdfunding platforms, gaining international recognition by customers worldwide.
- We sell directly and through a growing network of distributors in **Europe, US, Japan, and other countries.**

Our Mission

- Create thoughtful products that **inspire an emotional response**.
- Bridging the gap between memorable art and made-for-the-home décor.

- All products are **designed in-house**.
- We hand-pick the best suppliers for our production, as quality is of our most important interest.

The World of
BULBING[®]

An illuminated collection of illusory lighting solutions using energy-efficient LED lights to catch the viewer by surprise.

A 2D/3D artwork beguiles the eye with optical trickery - an intriguing addition to any space in search of the unconventional.

The Designer

Nir Chehanowski,

Bezalel Academy of Art and Design, 2007

"I have always been fascinated by optical illusions, combining color, light and patterns to create designs that trick the eye."

"My work is inspired by all forms of art and culture, and I enjoy developing ideas that make people smile."
