Beautifully groomed Naturally healthy

Arava Pet Spa is passionate about providing the highest level of care for furry companions.

We believe that the healing qualities found in nature can benefit pets just as much as humans, which is why we exclusively source our raw materials from the healing Dead Sea - the lowest place on Earth. For over a decade, our mission has been to promote the advantages of proper pet grooming while utilizing the full health potential of dogs and cats.

Our innovative technology allows us to incorporate a high number of exceptional quality natural ingredients such as herbs, essential oils, and minerals into each of our products. Our new product line provide a unique richness that addresses various health conditions while acknowledging the individual needs of each pet.

At Arava Pet Spa, we are committed to quality and love for pets, which is why we craft a diverse range of products designed to offer complete and easily accessible holistic pet care. Our exclusive product range includes shampoos, conditioners, ointments, wipes, and more, catering to all types of dogs and cats.

In collaboration with our distributors, we create a world where pet parents can optimize the health and happiness of their furry friends while being mindful of our shared environment.

Join us

in promoting our shared values and enabling pet parents to bring the best for their furry friends.

Essential Grooming Shampoo

For Dogs

Adults

About

This versatile shampoo is suitable for dogs of all breeds. Enriched with a carefully selected blend of botanical oils and extracts, it promotes healthy skin and fur. Its gentle cleansing action effectively removes dirt and impurities without stripping away the natural oils of the coat. Say goodbye to excess shedding as it draws out old loose hair. Experience the joy of a clean, shiny, and glossy coat, radiating moisture and emanating a delightful scent.

Directions for Use

Soak your dog with lukewarm water and freely apply shampoo, lathering completely, including legs and paws. Massage shampoo around the head and neck, carefully avoiding contact with your pet's ears and eyes. For deep cleaning, deodorizing, and conditioning let the latter work down to the skin and leave on for 5-10 minutes. Rinse well with warm water and towel dry. This can be repeated as often as necessary. For the best results, it is highly recommended to be followed by the Essential Grooming Conditioner

Active ingredients

Sea Buckthorn, Macadamia, Neem, Eastern Red Cedarwood, Eucalyptus, Peppermint, Lavender, Sage, Myrrh, Rosemary, Chamomile, Aloe Vera, and Dead Sea Minerals

Available in

400ml – 13.5 oz

Code: 7290013192004

4 liters – 135.35 fl oz

Code: 729001319201

PH Balanced.

Essential Herbal Conditioner

For Dogs

Adults

About

This conditioner is crafted with natural conditioning agents that elevate moisture retention, infuse softness into the coat, and enhance texture and manageability. This conditioner works wonders in revitalizing your pet's coat, bringing back its vibrancy and luster while safeguarding it against environmental elements. Its easily absorbed formula deeply nourishes both the coat and skin, providing lasting protection and rejuvenation.

Directions for Use

Following shampooing, generously apply conditioner to the freshly washed coat, ensuring to cover the legs and paws. Allow the conditioner to soak for 5-10 minutes, while avoiding contact with the eyes and ears. Rinse the coat thoroughly with lukewarm water and gently towel dry. Brush and comb periodically until the coat is completely dry. Repeat this process as necessary to achieve optimal results.

Active ingredients

Cedar, Eucalyptus, Macadamia, Rosemary, Shea, Sea Buckthorn, Saw Palmetto, Sweet Almond, and Dead Sea Minerals.

Available in

400ml – 13.5 oz

Code: 7290013192141

4 liters – 135.35 fl oz

Aromatherapy Ear Care

For Dogs | Cats

About

This ear cleaning solution is a versatile product designed to aid in the treatment of both acute and chronic inflammation in the ears of dogs and cats of all ages. It effectively removes debris and dead tissues, providing a thorough cleansing and drying action to promote healing. The non-irritating formula is specifically formulated to address issues such as moist, waxy, and foul odor ears. By using this solution, you can effectively maintain the cleanliness and freshness of your pet's ears. It's an essential part of your pet's ear care routine, helping to prevent and alleviate discomfort caused by inflammation. Ensure your pet's ears are clean and healthy with this reliable solution that offers effective cleansing and relief for their ear-related concerns.

Directions for Use

Apply a generous amount into the ear canal and gently massage the base of the ear for a few minutes to ensure thorough penetration. Allow your pet to shake its head, helping to dislodge any loosened debris. Next, gently rub the base of the ear and wipe the ear flap with cotton to remove any remaining residue. This product can be used daily or as directed by your veterinarian. For ongoing ear care and to prevent recurring infections, we recommend incorporating Arava Pet Ear Wipes into your daily routine. These wipes are specifically designed to keep your pet's ears clean and healthy between applications of the ear cleaning solution.

Active ingredients

Manuka, Lemon Myrtle, Camomile and Aloe Vera

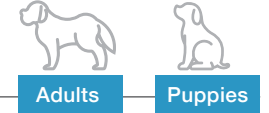

Available in

120ml – 4.06 fl oz
Code: 7290013192455

PH Balanced.

Tear Stain Cleaner

For Dogs | Cats

About

Our stain-eliminating solution is specifically designed to tackle unsightly tear stains and clean saliva stains around your pet's mouth. Not only does it effectively remove existing stains, but it also helps prevent their recurrence. With this solution, you can easily remove unsightly stains from the hair around your pet's eyes and mouth, restoring their natural beauty. By using it regularly, you'll be able to maintain a stain-free appearance and prevent them from coming back.

Directions for Use

Simply apply the solution onto a cotton swab and gently wipe the tear and/or saliva-stained areas. For any remaining debris, you can use Arava Eye Wipes to clean the area after one hour. For heavily stained areas, daily treatment is recommended for a minimum of 4 weeks until the stain is fully removed. Please note that this process may take up to 6 weeks. In cases where tear stains persist on the fur after a few weeks of daily use, it is likely that the fur is permanently dyed and will need to grow out and be trimmed off for complete removal. To prevent the recurrence of tear stains, we recommend daily eye cleaning using Arava Pet Eye Wipes and regular application of the Bio Tear Stain Cleaner. This routine maintenance will help keep your pet's eyes and fur free from stains and ensure a clean and healthy appearance.

Active ingredients

Cajepout, Desert Wormwood, Lemon Myrtle, Manuka, Ravintsara and Willow Bark

Available in

Puppies

100%
Biodegradable

About

Maintain the cleanliness and health of your pet's eye area with our specially designed eye wipes. These extra soft cloths are moistened with a gentle cleanser and carefully selected extracts to effectively remove dirt and discharge around the eyes. By incorporating these wipes into your daily routine, you can help reduce tear stains and minimize the risk of eye infections. Their gentle formula ensures a safe and comfortable experience for your pet while promoting a clean and clear eye area.

Directions for Use

Simply open the lid and pull the first wipe from the center of the roll. Pull the wipe up through the small hole in the center of the lid, and as you do so, the next wipe will come through and be ready for use. It's important to close the lid when not in use to keep the wipes fresh and clean. When cleaning your pet's eye area, gently wipe around the eyes to remove staining and discharge. Be cautious and avoid direct contact with the eyes to prevent any discomfort or irritation. For best results, we recommend also the periodic application of the Bio Tear Stain Cleaner.

Pet Ear Wipes

For Dogs | Cats

About

These specialized pet wipes provide convenience for maintaining your pet's ear cleanliness and health. With their gentle formula, these wipes effectively eliminate dirt, wax, and discharge from around the ears, preventing odor, itching, and irritation that may lead to infections. Using these wipes regularly ensures your pet's ears stay fresh and comfortable, free from debris that can cause discomfort and unpleasant odors.

Directions for Use

Simply open the lid and pull the first wipe from the center of the roll. Pull the wipe up through the small hole in the center of the lid, and as you do so, the next wipe will come through and be ready for use. It's important to close the lid when not in use to keep the wipes fresh and clean. To clean your pet's ears, gently wipe around the ear area to remove staining and discharge. Avoid inserting the wipe into the ear canal. It's essential to use a new, clean wipe for each ear to prevent any potential cross-contamination. These user-friendly wipes ensure that cleaning your pet's eyes is hassle-free, leaving the eye area fresh, clean, and free from stains. For optimal results, consider complementing the cleaning process with periodic applications of our Aromatherapy Ear Care Solution.

Therapeutic Oils

Each type of oil has dozens of active ingredients suited to a variety of purposes -

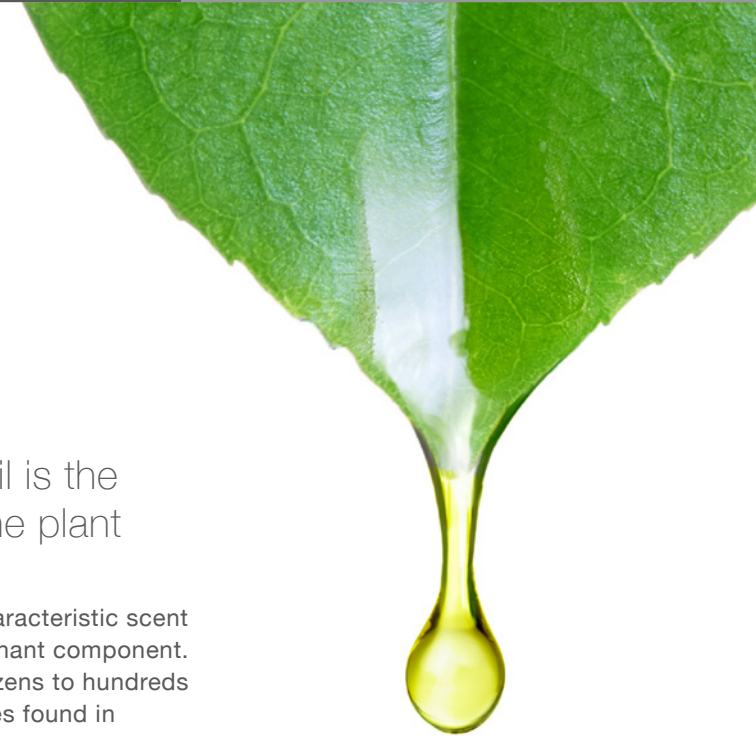

such as disinfection or moisture retention. These ingredients appear in different concentrations in each oil, and a high concentration must be used to ensure maximum results. The oils are the main

basis of our products because of their therapeutic, antibacterial, and antifungal qualities. Therefore, while we select our oils, we attribute great importance to their composition, fragrance, how and where they grown.

An essential oil is the fragrance of the plant

Each plant has its characteristic scent according to its dominant component. The oil comprises dozens to hundreds of different substances found in different parts of the plant, including the roots, stems, flowers, and fruits.

Our expertise lies in crafting nature into healthy and high-quality products.
