ELECTRO GEAR™

Novel AI-driven digital health remote platform for Physical Therapists, Chiropractors and Personal Trainers

Wearable performance and recovery smart garments that get you back on track

EASY-TO-USE SMARTPHONE APP

Our application connects your wellness and sports ElectroGear device with your smartphone for use in-clinic or remotely.

With ElectroGear, athletes recover quicker and get back in the game faster.

Our electron stream technology integrates AI to personalize sessions so the athletes accelerate recovery and achieve optimal performance.
