THESE GADGETS HELP TO  
KEEP YOUR HOME CLEAN

## Tyroler Glider

This incorporation of strong magnets into a gadget is a genius idea to clean the outside of a window, which is usually no easy access. The Gliders come in three

### Magnetic Window Cleaner

Tyroler has been developing innovative home cleaning tools for two decades, but this product is probably their best one. The Glider uses magnets to simultaneously clean both sides of the window, but its best ability is to spread the cleaning liquid from the window's part that's nearest to you to the very end of it. Some of our commenters on FB said they had similar products and the outer half would constantly fall down, however this one has a string for that.
