

## Sealaria: Pioneering Cosmeceuticals from the Pristine Mediterranean Sea

Sealaria is a cutting-edge cosmeceutical company based in the picturesque North of Israel. Specializing in harnessing the extraordinary benefits of red-macro-algae from the pristine Mediterranean Sea, Sealaria has developed an innovative extraction synergistic method that yields a comprehensive range of high-quality natural ingredients. These ingredients have proven exceptionally effective in addressing a wide range of skincare concerns, including irritated skin, pain, and wound healing.

### Red-Macro-Algae: Sealaria's Secret Weapon

Sealaria's secret weapon is the red-macro-algae, *Gracilaria* sp. This algae is rich in a variety of active compounds, including polysaccharides, minerals, and vitamins, which have been scientifically validated for their remarkable ability to:

- **Assist with Irritated Skin:** Our products are formulated to soothe and rejuvenate even the most sensitive skin, helping you achieve a radiant complexion.
- **Alleviate Pain:** Sealaria's formulations can provide relief from skin discomfort, making them essential for those with dermatological concerns.
- **Protect and Accelerate Wound Healing:** Our unique raw materials aid in wound healing by protecting against infections and promoting faster recovery.
- **Enhance the efficacy of other skincare ingredients:** Sealaria's raw materials have demonstrated significant potential in boosting formulations, accelerating healing, and acting as potent carriers for active ingredients.
