Full-circle social enterprise

We're a non-profit that trains immigrants as professional goldsmiths for new career opportunities in Israel, using proceeds to support their families.

You are our partner, not a customer

Your purchase supports our mission to empower new Jewish immigrants and build brighter futures through job training.

True storytelling jewelry

Our jewelry is crafted by talented artisans drawing inspiration from the immigration journey to Israel, symbolizing hope, determination, and rich heritage.

A DREAM. A JOURNEY. A JEWEL.

The Megemeria School of Jewelry & Art is a full-circle social enterprise that provides professional training and employment opportunities to Ethiopian immigrants in order to facilitate their integration into Israeli society.

Each purchase of Megemeria jewelry directly impacts the lives of future immigrants. All proceeds from purchases are invested directly into the project, empowering the students of today and artists of tomorrow.
