

When the Start-up Nation and the Scale-up Nation meet

To create impactful regional collaborations by leveraging knowledge, innovation, trade and investments, while constantly pursuing building a sustainable future in the MENA region and globally

Areas of focus

We help our partners achieve their strategic objectives in a profitable and sustainable way:

Yokwe Solutions

- Bring dairy experts to increase profitability
- Source bio-degradable packaging solutions
- Implement sugar reduction technologies

Yokwe Scale-Up

- Representing KIZAD in Israel
- Support KIZAD in bringing cell-based chicken company to set up a pilot plant in KIZAD

Yokwe Research

- Feasibility study for the Israeli Ministry of Agriculture: land shipment UAE-KSA-Jordan-Israel for fresh produce

Yokwe Trade

- Brokering deals Israeli food brands with Emirati distributors (dates, vegan food, kosher food)
- Brokering deals for Emirati food brands in Israel

Yokwe Academic Collaborations

- Build joint research initiatives:
 - Ghaf tree as a source of protein
 - Black Soldier Fly as a source of protein

Yokwe Projects

- Hydroponic production of animal feed
- Aquaculture with Innovative water treatment technology

Our work is partner-led supported by a multidisciplinary team with deep roots in the Israeli Agri/Food sector
