MULTI-ACTIVE FACIAL SERUM

No. 817 - 50 ml

Bring back your skins moisture and balance with this Vegan formula as you feel your skins moisture locked in all day helping to eliminate dry patches and even out your skins problem areas.

- Your morning application of the serum helps the skin to hold on to its critically essential moisture throughout the day.
- Your night time application allows the skin to uptake the nutrients using them to rebuild, repair and rejuvenate from the days stresses and environmental, sun and toxic exposures.
- Acts as an activator helping compound the effects of other creams you may be using to help them in the areas of wrinkle reduction and skin tightening, so that you end up looking even better than either could do on their own.

SCENT: The soft, subtle fragrance will blend perfectly with any fragrance you choose for the day and won't compete with it at all.

SEE: The reduction in dry skin areas that may have been problematic for you in the past.

FEEL: The sensation of all day hydration and nighttime rejuvenation combined.

How To Use:

- Apply evenly to clean dry skin twice daily for all facial types.
- Then after use, apply your favorite -417 cream for an amazing effect.

TIME REVERSE NIGHT FACIAL SERUM

No. 882 - 50 ml

This 100% Vegan precision Hyaluronic Acid formula dramatically reduces the visible signs of aging by essentially lubricating the skin and providing a barrier you can feel against many of the harmful environmental antagonists and toxins that are attempting to destroy your skin every single day.

- The unique sugar molecule creates an amazing gel that lubricates the skin into a far softer and more pliable state where the signs of aging are diminished, and a sensational softer more youthful appearance emerges.
- After you apply it there is a natural reducing action that tightens and smooths the skin in a way other formulas simply cannot match.
- Combining Hyaluronic Acid with Aloe Vera creates a symbiotic relationship with their complimentary specialized sugar molecules that creates an effect at reducing the signs of aging far greater than the two could ever achieve alone.
- Together with the proprietary essential oils formula the effect achieved as a whole has to be seen to be believed.

SCENT: It has a clean, crisp, light aroma that won't compete with your fragrance choice of the day.

SEE: The visible signs of aging diminish and a youthful, tight skinned glow shine through.

FEEL: Your skin softens and tightens at the same time.

How To Use:

- Apply a small amount of the serum onto your clean and dry skin each day.
 - Pat with your fingertip until it has fully absorbed.
