

Michlol Group

Michlol Group is a multidisciplinary financing company listed on the Tel Aviv Stock Exchange (MCLL). Michlol operates in two key segments, providing (i) credit to residential real estate developers; and (ii) alternative credit to middle market companies. Michlol Financing solutions are tailored to each client's needs.

Michlol was founded in 2018 by Clal Insurance Company, Uri Paz, Ayelet Rosak, and Yaron Blank, who have decades of accumulated experience in financing and entrepreneurship. Michlol's chairman is Zvi Ziv, previously the CEO of Bank Hapoalim – Israel's leading financial institution.

Michlol Services

Michlol Real Estate

Provides complete financing solutions to residential real estate developers, including senior facilities, mezzanine loans, and guarantees. The company presents a full-service alternative to traditional banks in the residential construction space.

Michlol Growth

Provides flexible alternative credit to middle market growth companies across all economic sectors. Our financing solutions are tailor-made for each investment we make, with flexibility around size, term, structure, repayment schedule, upside participation and collateral.
