Testimonials

“ I appreciate the low number of components needed to compound. It is very efficient compared to what we were using previously. ”

Bailey Crandall, PharmD, BCPS, BCPOP
Oncology Pharmacist, VA San Diego

“ With the Tevadaptor “click”, pharmacists know that the syringe is attached safely and securely. ”

Daniel Hernandez, BSPHarm, RPh
Oncology Pharmacist, Valley Cancer Associates, TX

“ I am confident that by using Simplivia products, we’re protecting our staff and the other patients. ”

Mark Sinn
Registered Nurse, Oregon Oncology Specialists
