PLEASE DESCRIBE YOUR GOALS/AMBITIONS THAT YOU HAVE

Today, I have a family, and my focus and dedication are on my son and my husband. I want us to grow our family and income even more together. Grow as a family, grow as professionals, but most importantly, be 100% involved in our son's life.

DESCRIBE WHAT YOU WERE LIKE AS A CHILD

I was a calm child, as far as I can remember. I loved drawing and playing. I was an ordinary child who loved discovering new things.

DESCRIBE YOUR FAVORITE MEMORY

When my family and I would gather in my parents' bed to watch a movie, we all laughed a lot together. It was beautiful, and it still is.

DESCRIBE YOUR PERSONALITY AND CHARACTER

I am a woman who likes to chase the dreams I want. So far, I've achieved many things I've aimed for, not only financially but also with my family. I value family deeply, and that's what matters most to me. I am a calm woman who enjoys organization and doesn't tolerate lies. I value respect, and I'm also funny – I love making people laugh and making them feel good around me.

WHAT ARE YOYR FAVORITE FOODS?

I don't have a specific favorite; I like many things, but if I had to choose something to eat for the rest of my life, it would be proteins.

WHAT DO YOU LIKE TO DO IN YOUR FREE TIME?

Read and work out.

WHAT WOULD YOU CONSIDER YOUR GREATEST STRENGTHS AND WEAKNESSES?

I am emotional about everything.

IF YOU COULD VISIT ANYWHERE IN THE WORLD, WHERE WOULD IT BE AND WHY?

I currently live in the United States, and the most amazing place in the world, besides my home, would be my parents' house. I wouldn't choose anywhere else in the world but to always visit them in Brazil.

DESCRIBE A TYPICAL DAY IN YOUR LIFE.

I take care of my son, manage the house, work out, and in the evening, after my son goes to sleep, I enjoy the time I have with my husband.

WHY HAVE YOU DECIDED TO BECOME AN EGG DONOR?

I've never donated anything before, but when I learned about this through my friend, I became interested. Besides the benefits, I'm happy to help another woman. Being a mother is the most beautiful thing we can be, and I know she will be very happy with my help. My son is wonderful; he was born from me, from my egg, and I want to give this woman the same feeling I have.

Geography and history.
