DESCRIBE A TYPICAL DAY IN YOUR LIFE.

On a typical day when I don't have a modeling job, I usually wake up around 9 AM. I start my day with a shower and breakfast. After that, I get ready to head to the gym. Once I'm back home, I cook lunch, as I really enjoy preparing meals. In the afternoon, I dedicate some time to my work as a content creator. This includes video editing and planning future content. As evening approaches, I focus on my Mandarin studies, as I'm currently learning the language. After class, I either cook dinner or order something to eat. Then, I take another shower to wind down. I like to spend a little time on my phone, checking social media, before getting ready for bed around 10 PM.
