### President & Chief Executive Officer, Jackson Health System

Carlos A. Migoya has served as President and CEO of Jackson Health System since May 2011, overseeing one of the nation's largest and most respected public healthcare networks. Jackson has the distinction of bringing world-class medical care – including the medical school faculty and students from the University of Miami and Florida International University – to a taxpayer-owned system that guarantees a single high standard of care for all residents of Miami-Dade County. The system is anchored by Jackson Memorial Hospital, one of the top-ranked hospitals in Florida. The system also includes two neighborhood community hospitals, Holtz Children's and Women's Hospital Center, Jackson Behavioral Health Hospital, Jackson Rehabilitation Hospital, two nursing homes and numerous clinics.

In his first year at Jackson, Mr. Migoya led a transformation that reversed years of massive losses, including an \$82 million loss in the prior year, and produced a surplus of more than \$8 million. It was the first time Jackson produced a surplus since 2006. A year later, the surplus increased to more than \$45 million. At the same time, key indicators of healthcare quality and patient satisfaction improved, proving that public hospital systems need not choose between medical excellence and operational sustainability. In November 2013, he led a successful campaign in which 65 percent of Miami-Dade voters approved an \$830 million bond program to renovate, modernize and expand Jackson's facilities.

Prior to joining Jackson, Mr. Migoya served as City Manager in Miami, successfully tackling the city's ailing budget issues. Most of Mr. Migoya's professional life has been spent in the banking industry, rising through the ranks over more than 40 years from part-time teller to regional president and CEO. He spent many years working for Wachovia, most recently as the regional president of Wachovia in North Carolina and the CEO for the Atlantic region, responsible for banking in New Jersey, Connecticut and New York.

He is actively involved in several community organizations, including having served as the foundation chairman of Florida International University and as a member of the university's Dean's Council, the College of Business Administration's principal advisory board. Since 2006, Mr. Migoya has served as a director of AutoNation, the largest auto retailer in the U.S. He currently serves on the boards of the Downtown Charter School in Miami and the Jazz at Lincoln Center in New York City.

Mr. Migoya earned an undergraduate degree in finance and a Master of Business Administration in finance from Florida International University.
