Providing the most **comprehensive care for your heart**

You and your family can receive the highest-quality heart care at Jackson Health System. Our leading-edge cardiac surgery program – led by nationally and internationally renowned cardiac surgeon Hari Mallidi, MD, FRCSC, FACS, and supported by a highly experienced team – can evaluate heart conditions, diagnose problems, and provide the best possible treatment, including access to advanced technology and new clinical trials.

The cardiac surgery team collaborates on every case to assure the best possible outcome. In addition to the most advanced techniques for every heart condition, we specialize in minimally invasive surgery for less pain, faster recovery, and fewer scars. Our team is supported by the unmatched resources of Jackson Health System – an important consideration for treating underlying conditions or multiple medical problems.
