Symposium Objectives

At the conclusion of this conference participants should be able to:

- Compare Medical Response to Bombings: The Application of Lessons Learned from La Belle to Boston
- Explain the Compositions of Healthcare Coalitions in South Florida and their Role in Managing Disasters
- Explain the Role of City Readiness Initiative (CRI) and Strategic National Stockpile (SNS) in Managing Large Scale Disasters
- Assess update on Telemedicine Role in Managing Disasters including Mass Casualty Incidents
- Explain the Institute of Medicine's "Crisis Standards of Care: need for a toolkit for indicators and triggers"
- Explain opportunities for available Local/Regional/State & National Education and Trainings for Disaster Planning, Preparation and Response
- Explain how to prepare for an "Active Shooter" at their hospitals campus
- Examine the Medical Lessons Learned from Chernobyl and Fukushima-Daiichi Nuclear Disaster

CME / Contact Hours

Nurses: 6.5 hours of Nursing Contact Hours will be provided by the Public Health Trust/Jackson Health System, which is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation.

Physician Accreditation: This activity has been planned and implemented in accordance with the Essential Areas and Policies of the Accreditation Council for Continuing Medical Education (ACCME) through the Joint Sponsorship of the University of Miami Leonard M. Miller School of Medicine and Jackson Health System. The University of Miami Leonard M. Miller School of Medicine is accredited by the ACCME to provide continuing medical education for physicians.

Credit Designation: The University of Miami Leonard M. Miller School of Medicine designates this live activity for a maximum of 6.5 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Disclosure and Conflict of Interest Resolution: All conflicts of interest of any individual(s) in a position to control the content of this CME activity will be identified and resolved prior to this educational activity being provided. Disclosure about provider and faculty relationships, or the lack thereof, will be provided to the learners.

Registration Cancellation Policy

Refunds will be made only if written notice of cancellation is received prior to January 14, 2014. All refunds will deduct 25% of the registration fee. After this date, no refunds will be made. If the course is cancelled due to insufficient registrations, a full tuition refund will be made.

Services for the Disabled

If special arrangements are required for an individual with a disability to attend this conference, contact Elisha Moultrie at emoultri@jhsMiami.org or 305-585-8007 at least 15 days prior to the conference.

Hotel Information

Please see the "Greater Miami Convention and Visitors Bureau" link found on our Registration Website: <http://events.jhsMiami.org>.

About Jackson Health System

Jackson Health System is an internationally recognized academic health system with 2,482 licensed beds. It is home to the Ryder Trauma Center, Miami-Dade County's only Level 1 adult and pediatric trauma center, which was chosen by the U.S. Army to train their Military Surgical Teams before being deployed to areas of conflict.

Jackson Memorial Hospital at the University of Miami/Jackson Memorial Medical Center and Holtz Children's Hospital, are ranked among "America's Best Hospitals". University of Miami/Jackson Memorial Medical Center was ranked the #1 Hospital in South Florida by U.S. News & World Report in 2013.

Jackson Health System has an active Disaster and Emergency Preparedness Program and was awarded the 2010 NAPH Safety Net Award by the National Association of Public Hospitals and Health Systems in the Category of "Emergency Preparedness."
