

Jackson Prime
Financial Assistance Program Summary

Jackson Health System offers various options for individuals requiring financial assistance for healthcare services received at one of our facilities. The amount of financial assistance you may receive varies based on your income, family size, and county of residence. Below is a summary on how to apply and the documents required to complete the eligibility review process:

How to Apply:

Applying as a **New Patient**:

Please schedule your Financial Assessment appointment by calling: 305-585-6000
Following the prompts of the automated system and selected your preferred language: English, Spanish, or Haitian Creole

Applying for **Renewal Benefits**:

Please visit <https://jacksonhealth.org/>, on the upper right side of the website, hover over "Patient Tools" select "Financial Assistance." Please review the information under Renewal Notification and follow the link:
