

Article 1

Preamble

This Agreement is entered into on October 1, 2005 by and between the Public Health Trust (PHT) and Miami-Dade County, Florida (County), hereinafter referred to as the Employer, and the Committee of Interns and Residents (CIR), an affiliate of Service Employees International Union, hereinafter referred to as the “Union” or “CIR.”

Section 1: Recognition

The employer recognizes the Committee of Interns and Residents (CIR) an affiliate of Service Employees International Union, as the exclusive collective bargaining representative for the unit certified under FLA/PERC Case #RC-95-060 for all regular full-time employees employed by the Public Health Trust of Miami-Dade County in the titles of PGY-1, PGY-2, PGY-3, PGY-4, PGY-5, PGY-6, PGY-7, non-academic graduate assistants in the areas of dermatology (research), special immunology, neurology, ophthalmology, general dentistry and otolaryngology, non-graduate assistants serving as ophthalmology fellows, non-graduate assistants serving as ENT fellows, and fellows employed by Jackson Memorial Hospital/Public Health Trust of Metropolitan Dade County.

Persons in such titles are hereinafter collectively referred to as “Housestaff, Residents, Housestaff Officers, or HSO.”

Section 2: Purpose and Intent

It is the intention of this Agreement to provide for salaries, benefits, and other terms and conditions of employment. It is further the intention of this Agreement to prevent interruption of work and interference with the

efficient operation of the Trust and to provide an orderly, prompt, peaceful, and equitable procedure for the resolution of grievances and the promotion of harmonious relations between the Trust and the Union.

The parties recognize that the employees in this bargaining unit are also engaged in formal medical training programs. The parties wish to ensure that nothing contained in this Agreement or arising from the collective bargaining process interferes with the Trust's medical training programs. It is the intention of the Trust to meet or exceed the standards and guidelines of accreditation for those programs it elects to sponsor. With this in mind, this Agreement is meant to set forth the terms and conditions of housestaff members' employment and at the same time support the Trust's training programs.

Accordingly, the Parties agree that the following matters are outside the scope of this Agreement:

(a) The content and structure of residency programs and the orientation programs for new housestaff officers.

(b) Staffing and staffing patterns at the Public Health Trust, including, but not limited to, the number of housestaff officers, patient admission policies, and the level of patient care.

The parties agree that the above issues are proper subjects for Labor-Management meetings and for other forums, and further agree that their impact on housestaff work hours, work loads, and on other terms of this Agreement are proper subjects for negotiation.

Salaries and Compensation

Section 1: Definitions

For the purposes of compensation, the appointment of a housestaff officer shall be based on his/her appropriate Post Graduate Year (hereafter "PGY"), which shall be determined as follows:

A. A housestaff officer who has not completed at least one (1) year of service in an ACGME, AOA, ADA, or APMA accredited training program shall be placed at the PGY-1 level.

B. A housestaff officer who has successfully completed one (1) or more years of service in an ACGME, AOA, ADA, or APMA accredited training program and is continuing in that same program shall be placed at the PGY level which equals the number of such years of service plus the one he/she is entering. (E.g., a HSO who has completed two (2) years of service in a training program outside of PHT and transfers to PHT shall be placed at the PGY-3 level.)

C. 1. Each housestaff officer shall, during their employ, receive one (1) PGY level credit for pay purposes for every full year of related experience she/he has had in any previous ACGME, AOA, ADA, or APMA accredited program(s).

2. Each housestaff officer will also, during their employ, receive a total of one (1) additional PGY level credit for pay purposes for all other full years of excessive related experience in an ACGME, AOA, ADA or APMA accredited training program.

3. Each housestaff officer shall during their employ, receive a maximum total of one (1) PGY level credit for pay purposes for all years of unrelated experience he/she has had in a previous accredited program.

4. The PGY level credit referenced in paragraphs C.1 and 2 above cannot be combined with C.3. The housestaff officer shall receive the PGY level credit for pay purposes for the related experience in lieu of the unrelated experience if entitled to credit under both paragraphs.

D. When prior service of a housestaff officer has been in a non-ACGME, AOA, ADA, or APMA accredited training program, he/she shall at a minimum be classified at the PGY level appropriate to the years of service he/she has completed in an ACGME, AOA, ADA, or APMA accredited training program. Non-ACGME, AOA, ADA, or APMA accredited training programs will not be considered in assigning appropriate PGY levels.

Section 6 B: Paycheck Error

In the event of an error in the paycheck, a voucher in the corrected amount shall be made available to the Housestaff Officer within 24 hours of reporting the error to the Payroll Department. Section 7: Pay Supplements

Each housestaff officer shall continue to receive a \$50.00 bi-weekly pay supplement.

Article 3 Work Hours

Section 1: Definitions

A. For the purpose of determining excessive work hours: A “work week” shall be a seven-day period starting on Monday at 7:00 a.m. A “work day” shall be a twenty-four (24) hour period starting at 7:00 a.m.

B. An “emergency” shall be defined to include a natural disaster, civil emergency, or other unanticipated and extraordinary circumstance, which creates an immediate and urgent increase in the need for the Trust’s service.

Section 2: Duty Hours/On-Call Activities

Unless expressly prohibited by ACGME requirements or otherwise necessitated by an emergency:

A. Duty hours are defined as all clinical and academic activities related to the residency program; i.e., patient care (both inpatient and outpatient), administrative duties relative to patient care, the provision for transfer of patient care, time spent in- house during call activities, and scheduled activities such as conferences. Duty hours do not include reading and preparation time spent away from the duty site.

1. Duty hours must be limited to 80 hours per week, averaged over a four-week period, inclusive of all in-house call activities.

2. Residents must be provided with one (1) day in seven (7) free from all educational and clinical responsibilities, averaged over a 4-week period, inclusive of call. One day is defined as one (1) continuous 24-hour period free from all clinical, educational, and administrative duties.

3. Adequate time for rest and personal activities must be provided. This should consist of a 10-hour time period provided between all daily duty periods and after in-house call.

B. The objective of on-call activities is to provide residents with continuity of patient care experiences throughout a 24-hour period. In-house call is defined as those duty hours beyond the normal workday, when residents are required to be immediately available in the assigned institution.

1. In-house call must occur no more frequently than every third night, averaged over a 4-week period.

2. Continuous on-site duty, including in-house call, must not exceed 24 consecutive hours. Residents may remain on duty for up to 6 additional hours to participate in didactic activities, transfer care of patients, conduct outpatient clinics, and maintain continuity of medical and surgical care.

3. Housestaff officers shall not be required to be on-call while on vacation.

4. No new patients may be accepted after 24 hours of continuous duty.

C. At-home call (or pager call) is defined as a call taken from outside the assigned institution.

1. The frequency of at-home call is not subject to the every-third night limitation. At-home call, however, must not be so frequent as to preclude rest and reasonable personal time for each resident. Residents taking at-home call must be provided with one (1) day in seven (7) completely free from all educational and clinical responsibilities, averaged over a 4-week period.

2. When residents are called into the hospital from home, the hours residents spend in- house are counted toward the 80-hour limit.

D. Housestaff officers shall not be required to work more than “one night in three,” as those terms are commonly understood. Example(s):

1. A housestaff officer may not be required to work:

- | | | | |
|-----|-----------|-----|-----------|
| (a) | Call | (b) | Call |
| | Post Call | | Call |
| | Call | | Post Call |
| | Post Call | | |

2. A housestaff officer may be required to work:

- Regular Day
- Call Day
- Post Call
- Regular Day
- Call Day

E. Housestaff officers shall receive a minimum of 24 consecutive hours off per work week (i.e., duty free), except on those occasions when the medical needs of a patient require transition between the housestaff officer and an oncoming physician.

However, as the sole exception to this protection the Department may adopt a “Golden Weekend” schedule as follows:

One weekend duty free, one Saturday duty free, and one Sunday duty free in a consecutive 28-day period. The duty free Saturday and Sunday must be on separate weekends.

F. Housestaff assigned to the Emergency Room shall not be required to work a total of more than a maximum of twelve (12) hours in any twenty-four (24) hour period and a maximum of sixty (60) hours per week.

G. Schedules promised at the time of hire and/or offering of contract, where better, shall be honored.

H. The Trust shall not cause, or allow the scheduling of, any housestaff officer to work any hours above the hours limitations mandated by this contract as well as mandated by any regulatory and/or accreditation agency or entity including, but not limited to, the ACGME.

Section 3: Notification

The Trust shall provide the DIO, UM Dean of School of Medicine, and the Union monthly reports of any and all known incidents of the Trust causing, scheduling, or allowing any housestaff officer to work any hours above the hours limitations mandated by the collective bargaining agreement or by any regulatory and/or accreditation agency (e.g., ACGME). The report shall include the name of the affected housestaff officer, date of incident, excessive hours worked, and name of the Chief of Service and Program Director under which that housestaff officer(s) works, and the nature of the task performed during the excessive hours.

Section 4: Housestaff Pull List Coverage Pool Reimbursement

A. The Trust shall fund a pull list coverage pool in the amount of \$150,000 (increased from the current amount of \$85,000) per academic year beginning July 1, 2006. Beginning July 1, 2007, the academic yearly amount shall be increased to \$175,000. A housestaff officer who provides pull coverage shall be paid and assigned in accordance with this Section.

B. Pull list coverage shall cover all bargaining unit housestaff officers who provide pull coverage as approved by the Program Director or Chief Resident regardless of the reason causing the absence. Any housestaff officer who submits pull coverage shall be entitled to payment from the available pull coverage pool funds.

C. In order to be eligible for being assigned coverage, a housestaff officer shall not be scheduled for any regular on-call duties during the month of assignment to pull coverage.

D. Pull coverage shall be first offered to housestaff officers within the same department as the absent housestaff officer who volunteer for such duty. If more than one housestaff officer volunteers then the coverage shall be rotated on an equal basis. If there are no volunteers within the department, the Chief Resident shall then assign coverage on an equal basis.

E. Payment shall be made as follows per each on call period and each shift covered.

ER Sat/Sun/Holiday Day Shift	<u>\$290</u>
ER Night Shift Monday-Friday	<u>\$290</u>
ER Sat/Sun/Holiday Night Shift	<u>\$375</u>
Call Monday-Friday	<u>\$425</u>
Call Sat/Sun/Holiday	<u>\$450</u>

Upon the mutual agreement of the parties, the contract may be re-opened at any time to negotiate an increase to the above shift payment amounts.

F. Newly employed housestaff who arrive during the month of June and who submit pull coverage claims for coverage performed during that month, shall be paid out of the annual pool, which begins in the immediate subsequent month of July.

G. If the yearly pull fund balance reaches a level where there is not enough monies to fund the first unpaid claim, such claim shall nevertheless be paid in full.

H. Housestaff in the Department of Psychiatry that are scheduled for regular on call status, shall still be entitled to pull coverage. If this situation should occur in any other Department, the parties shall meet within fifteen (15) days to address and resolve the matter.

Section 5: Unused Pool Funds

Any funds remaining in the pull list coverage pool at the end of the academic year shall be rolled over for use in the next academic year.

Section 6: Pull List Coverage Pool Claims Procedure

All claims shall be made on the form agreed to by CIR and the Trust. Claims are to be submitted within thirty (30) days of the end of the rotation for which the claim is made. The Trust shall provide the union a copy of the processed form within thirty (30) days receipt of a properly completed claim form. The Trust shall make payment of approved claims within thirty (30) days of receipt of a properly completed claim form.

Section 7: Reports

The Trust shall provide the union with monthly reports of expenditures identifying each housestaff officer receiving payments by name, department, and the date(s) of such coverage. The parties shall meet from time to time to examine the usage data. In the event usage looks as if it may exceed the annual cap, the Trust shall inform the union and the parties shall meet to discuss how best to handle the coverage and/or compensation, if any.

Section 8: Schedules

Upon request, the Trust will provide the Union with copies of departmental housestaff work schedules including on-call, vacation, and rotational assignments.

Section 9: No Forced On Call Make Up

Vacations, sick leave, and other contractually approved leave time shall not be counted as time during which a duty to work on-call assignments accrues or accumulates. That is, the frequency of on-call duty during part of a month or a rotation may not be increased to force a housestaff officer to make up on-call duty missed during a contractually approved leave time.

Section 10: Scope of Practice

It is agreed that, except in emergency situations, employees will not be expected to routinely perform duties outside the general scope of their clinical practice. Consistent short staffing, whether of professional or of support personnel, shall not be considered as emergency situations. The employer agrees to make a good faith effort to minimize non-clinical duties and to identify and reduce such duties.

Article 4

Leave

Section 1: Vacations

A. All housestaff officers shall receive four (4) full weeks of (duty-free) vacation per residency year.

For purposes of this Article, a week shall consist of five (5) consecutive workdays (Monday through Friday) plus an attached two-(2) day weekend. (This shall mean, for example, that four (4) full weeks vacation shall mean twenty (20) workdays and eight (8) weekend days off from all in-patient, outpatient, phone, or beeper duties.)

B. Lesser vacation time of up to one week may be provided where appropriate specialty boards specifically mandate lesser vacation time. In such event, the housestaff officer affected shall be paid for the lost vacation time at the end of the residency year.

C. Advance requests by housestaff to their departments to schedule four (4) consecutive weeks or to divide vacation into shorter periods shall not be unreasonably denied by the department. Housestaff officers will be notified in writing of the dates of their scheduled vacation at the time the department's annual schedule is made up.

D. Professional meeting attendance required by a Chief of Service and sick days (while the HSO has unused paid sick time) shall not be deleted from vacation time or pay.

Section 2: Sick Leave

A. Sick Days: Housestaff officers shall accrue, as of the commencement of their employment, and annually thereafter, fourteen (14) days of paid sick leave. Unused sick leave may be accumulated and carried over to subsequent years. Sick leave may be used for illnesses caused or contributed to by pregnancy.

B. FMLA Notice: Housestaff officers should make requests for pregnancy, maternity, or other FMLA leaves of absence at least thirty (30) days in advance.

C. Pregnancy and Disability: The Trust will make reasonable accommodations for housestaff officers who are pregnant or who are temporarily and partially disabled, upon their request and with proper notification to their departments and documentation from their personal physician. Such accommodation may include the assignment of electives and rotations appropriate to the employee's condition, reasonable and limited night call, and limited exposure to particularly harmful disease, radiation, and chemicals. Such requested changes shall be in conformity with the rules of the housestaff officer's specialty board.

The hospital may require such housestaff officers to present documentation from their personal physician that they are able to continue at or return to work. Pregnant housestaff officers may continue to work as long as they perform their modified duties in such a way as to meet satisfactory levels appropriate to their specialty board and departmental requirements before they use their accrued paid and unpaid leave time as specified in this Article.

Housestaff officers shall be allowed to use sick or

vacation leave for child birthing training classes for themselves or with their spouses as necessary. Adoption shall be treated the same as birth for all appropriate leave-time purposes. Any child- or day-care services provided to other hospital employees shall also be offered to housestaff officers.

Section 3: Leave of Absence without Pay

Housestaff officers shall be entitled to take leave in accordance with the Federal Family and Medical Leave Act and the County's Family Leave Ordinance.

Upon request, the Trust may grant up to one year of leave for medical or family reasons (including pregnancy and child care), inclusive of any accumulated sick and vacation leave and any unpaid leave under the Family and Medical Leave Act and the County's Family Leave Ordinance. After such leave, the housestaff officer shall return to his/her program retaining the same status held at the beginning of the leave.

Section 4: Professional Leave

A. With the approval of their Chief of Service, housestaff officers may be granted leave with pay to take examinations and to attend educational conferences and seminars.

Any request for such leave shall be submitted in advance to the Chief, who may grant such leave when consistent with the staffing requirements and objectives of the program.

Section 5: Funeral Leave

A. The housestaff officer shall be granted funeral leave

in the event of a death in the immediate family provided the housestaff officer actually attends the funeral. Immediate family includes the following: spouse, children, mother or father, sister or brother, grandmother or grandfather, grandchildren, or any other person in the general family whose ties would normally be considered immediate family and who is living within the same household (proof may be required).

Funeral Leave provides pay for three (3) workdays for the number of regularly scheduled hours for the housestaff officer. Absences in addition to three (3) workdays of funeral leave may be charged to sick leave or vacation. Should the housestaff officer not attend the funeral, sick leave may be used.

B. Emergency Funeral Leave: The housestaff officer shall be granted emergency funeral leave in the event of a death of a housestaff officer's mother-in-law or father-in-law, provided the housestaff officer actually attends the funeral.

Emergency funeral leave provides pay for three (3) workdays for the number of regularly scheduled hours for the housestaff officer. Absences in addition to the three (3) workdays of emergency funeral leave may be charged to vacation.

Section 6: Military Leave

The County is governed by Federal and State laws concerning military leave and all employees represented by this contract shall receive the benefits of such laws.

Section 7: Voting

The County agrees to afford housestaff the same rights

for voting time off with pay (not to exceed one (1) hour) for local and general elections as is afforded to other employees and under the same general conditions.

Section 8: Jury Duty

Housestaff officers who are called to serve on jury duty or to testify as witnesses under subpoena will be excused from work and will be paid their regular salary for the duration of this service. To be excused, the employees should present official notice of jury duty or subpoena to their immediate supervisor or department.

Section 9: Witness and Jury Fees

A housestaff officer who is subpoenaed by private party to a suit and testifies while being excused from duty with pay may accept a witness fee, but must turn it over to the Public Health Trust properly endorsed. However, jury fees shall be retained by the employee.

Section 10: Union Functions

The total amount of paid time granted to housestaff designated by the union to attend union functions (e.g., conventions) cumulatively shall not exceed sixty (60) working days per residency year.

Housestaff Officers shall not be required to make up union leave time. Prior approval of the Senior Vice President of Medical Affairs shall be obtained. Said approval shall not be unreasonably withheld.

Section 11: Holidays

The Public Health Trust past practice regarding the scheduling and pay for holidays for housestaff officers shall continue.

Section 12: Contract Year Extension

A housestaff officer's contract year shall be extended with full pay and benefits for up to sixty (60) calendar days in order for the housestaff officer to complete his/her residency requirements following approved leaves. If the housestaff officer needs additional time to complete his/her residency requirements, he/she may apply to the Chief of Service for permission to complete the requirements without pay or benefits.

Section 13: Insurance Extension

The extension of insurance coverages will continue during the designated medical or sick leave as specified in the enrollee's benefit plan and/or as covered by COBRA, FMLA, or other governmental regulation.

Article 5 Prevailing Benefits

Section 1:

Unless specifically provided for or abridged herein, all wage and economic benefits, specifically provided by the Public Health Trust and currently in effect, shall remain in effect under conditions upon which they have previously been granted.

Nothing in this Article shall prevent the Trust from making changes in work rules or methods, provided that such changes do not reduce the benefits referred to above or contained in this Agreement.

Section 2:

The Trust shall notify the union in writing at least four (4) weeks in advance of any proposed changes to Trust policies, rules, practices, or procedures as in Section 1 above that impact on housestaff.

If requested by the union within two (2) weeks of such notification, the Trust will meet with the Union to discuss the proposed changes and to negotiate in good faith over the impact of such changes on Housestaff.

Article 6 Group Health Benefits Coverage

Section 1: Group Health Insurance

A. The Trust shall continue to provide without charge to the housestaff officer's single and dependent (spouse and children) group health insurance coverages in accordance with current benefit levels and procedures.

B. All insurance coverages, including coverage for pre-existing conditions, shall be in effect starting the first day the housestaff officer is on payroll and there shall be no time gaps in coverage for newly appointed housestaff or their dependent family members.

The Trust shall offer COBRA rights and advance information in a timely way to all housestaff officers who are completing their appointment.

C. The Trust shall continue the practice of full coverage without charge for JHM-pharmacy-provided prescriptions for housestaff officers and their covered dependent family members. Prescriptions may be written by any post-

residency doctor including JMH in-house attending physicians.

D. The Trust shall not diminish benefit levels and agrees to give sufficient notice to the union prior to implementing any proposed change in benefit levels and procedures.

E. The Trust and CIR shall establish a union/management committee to review and make suggestions for improvements to the housestaff group health insurance package including the mental health and dental components of the program.

Section 2: Life Insurance

The Trust will continue to provide all bargaining unit members with \$50,000 worth of group term-life insurance. Bargaining unit employees will continue to be afforded the current option of purchasing additional term-life insurance at group rate.

Section 3: Salary Continuation and Disability Coverage

The Trust shall continue to provide disability insurance on the same terms as previously provided, except that the waiting period for benefits will be ninety (90) days. However, the Trust shall continue to pay the housestaff officer for the first ninety (90) days. Disability Insurance shall cover the housestaff officer from the ninety-first (91st) day provided the claim is filed and eligible for coverage.

Section 4: Dental and Vision Insurance Coverage

At no additional cost to the housestaff, single and dependent dental and vision insurance will be provided by the PHT in accordance with this article.

Article 7

Malpractice and Liability Coverage

With respect to liability for negligence, the Trust agrees that each housestaff officer's activities in discharge of responsibilities under this Agreement, at Trust facilities, are governed by Section 768.28(9)(a), Florida Statutes, which provides that no housestaff officer shall be held personally liable in tort (including attorneys fees and costs) in any action for any injury or damage suffered as a result of any act, event, or omission of action in the scope of his/her employment. However, a housestaff officer may be held personally liable for injuries or damages resulting from any act of omission or commission performed in bad faith or with malicious purpose or in a manner exhibiting wanton or willful disregard of human rights, safety, or property.

The Trust shall provide all public records to the union concerning its self-insurance plan including, upon request of CIR, a copy of the hospital's Uniform Financial Report and Annual Financial Report, as certified by the Trust's accountants. The Trust shall give the union advance written notice of any proposed changes in its self-insurance plan or malpractice coverage or related procedures that would impact on housestaff officers.

While working at Trust facilities, each housestaff officer shall be required, as a condition to the provision of coverage, to provide written notice as soon as practicable to the Trust's Risk Manager of any act or omission herein before set forth, which has resulted or may result in a claim or suit against a housestaff officer or the Trust and about which he/she has received written notice.

In the event that any legal action is taken against any

housestaff officer in any action for any injury or damage suffered as a result of any act, event, or omission of action in the scope of his/her employment of function while at a Trust facility, pursuant to Section 768.28 (9)(a) of the Florida Statutes, either jointly or individually, the Trust shall notify the housestaff officer and defend such action at its expense, and the housestaff officer shall fully cooperate with the Trust in the defense thereof. The Trust shall also defend against any such actions reported or filed after completion of the housestaff officer's employment with the Trust.

As provided by Section 768.28(9) of the Florida Statutes, the Trust shall be responsible for payment of any settlements or judgments incurred as a result of any act, event, or omission of action occurring within the scope of the housestaff officer's employment while at a Trust facility.

The Trust shall have the right to adjust, settle, or compromise any claims, suit, or judgment in respect of any obligation or liability of any housestaff officer covered hereunder.

When assigned to work at facilities, which are not operated by the Trust, malpractice coverage for the housestaff officer shall be defined by the terms of the affiliation agreement entered into between the Trust and the affiliated institution.

In each affiliation agreement executed after July 1, 1997, the Trust shall require the affiliated institution to provide the rotating housestaff officers with coverage consistent with, and not less than, the affiliated institution's coverage for other medical professional practitioners and shall require that such coverage provides legal defense and protection against awards from claims reported or filed

after completion of the housestaff officer's assignment to that institution. If any affiliated institution is unable to meet this requirement, the Trust will not execute the affiliation agreement with that institution until it has reached agreement with CIR regarding available options. Further, in each affiliation agreement, the Trust shall require the affiliated institution to provide the Trust with immediate written notice of malpractice insurance cancellation or lapse. If such notification is received by the Trust, it will be immediately shared with CIR and the affected housestaff officer(s), at which time the Trust will negotiate with CIR regarding available options.

Prior to execution of each affiliation agreement, the Trust's Risk Manager will review the agreement for compliance with these requirements. The Public Health Trust shall notify CIR of each institution currently a party to an affiliation agreement that does not meet this (coverage) requirement.

The Public Health Trust shall require each affiliated hospital to provide a written description summarizing the institution's malpractice liability coverage for housestaff, including the amounts/limits of coverage, the source(s) of that coverage, and the rating of the carrier. A copy of the description will be made available to CIR and to each resident who rotates to the institution.

Article 8

Non-Discrimination

There shall be no discrimination against any housestaff officer on account of race, color, creed, place of medical education, national origin, sex, age, marital status,

disability, religion, political belief or affiliation, sexual orientation, and/or union membership or activity covered or described under this Agreement.

All housestaff officers covered by this Agreement will not be discriminated against for the exercise of their right: to join and assist the Union or to refrain from such activity; to serve as or designate representatives for the purpose of processing grievances; to engage in other lawful activities for the purpose of collective bargaining; or for the purpose of implementing any other rights provided under the Public Employees Relation Act (PERA) or other pertinent laws or provisions of this Agreement.

Article 9

Maintenance of Residency Programs

Section 1:

In the event the Trust decides to terminate or reduce the size of one or more of its programs, it shall notify each housestaff officer affected and CIR within thirty (30) days of its decision. The failure to notify CIR or a housestaff member of the Trust's intent to discontinue a program shall not prevent the Trust from discontinuing the program, but may be grounds for continuing the housestaff member's employment for the thirty (30) day period of notification.

Section 2:

In the event the Trust receives notification that a program is not to be accredited, to be placed on probation, or similarly to have its professional status adversely affected, the Trust will notify the housestaff members in the program and CIR. CIR and affected housestaff members

will be provided with information concerning the Trust's future plans for the affected program.

Section 3:

In the event the Trust determines to reduce the number of housestaff officers in a program, reductions will first be made by reducing the number of persons hired. If additional reductions are made, they will be made on the basis of time left to complete the program. Persons with the least time remaining in the program shall be the last to be reduced. In the event of a tie between two or more persons, the tie will be broken by random lottery. Residency standards shall be maintained during any reductions. ACGME regulations will be following regarding program termination and reduction. Incumbent residents who continue to perform on a satisfactory level shall be guaranteed the opportunity to complete that residency year.

Section 4:

The Trust shall make good faith efforts to assist housestaff officers adversely affected by the reduction of a program or its withdrawal of accreditation to find placement in another position in an accredited program. Such efforts shall include residency position search assistance, the provision of honest letters of reference, and the granting of reasonable time off for interviews, consistent with patient care needs.

Article 10

Individual Contracts and Renewals

Section 1: Individual Contracts

A. Each housestaff officer shall, prior to his/her appointment, receive a written individual annual contract not inconsistent with the provisions of this collective bargaining agreement which shall generally set forth the terms and conditions of his/her appointment. No individual housestaff officer may waive his or her rights under this collective bargaining agreement without the written consent of CIR.

B. Effective upon ratification, the terms of this initial collective bargaining agreement shall supersede terms and conditions specified in those individual contracts executed prior to the effective date of this Agreement.

Section 2: Form of Individual Contract

The form of individual contract (which may be in the form of a letter of offer which outlines the term of appointment, salary, department, PGY level, and references the CIR contract) presently used by the Trust shall be made available to the union, and if changed, a copy of any such change shall be furnished to the union.

Section 3: Letter of Completion and Certificate

The service shall issue the appropriate letter of completion for each housestaff officer upon completion of each residency year and the hospital shall issue the appropriate certificates upon the satisfactory completion of the training program and clearance by the Graduate Medical Education Office. Printed certificates will be furnished upon satisfactory completion of a program.

Section 4: Renewal of Appointments

A. The parties agree that the decision to renew the appointment of a housestaff officer is not subject to negotiation, and neither is it grievable through this collective bargaining agreement. However, the Trust shall take all administrative steps within its control to ensure that housestaff officers are notified as follows:

- a. First year housestaff officers with annual contracts shall be notified in writing at least six (6) months prior to the expiration of their contract (i.e., by January 1, for June 30 expiration) if their appointment is not to be renewed for the next year of a given residency program.
- b. In each subsequent year, housestaff officers with annual contracts shall be notified in writing at least seven (7) months prior to the expiration of their contract (i.e., by December 1, for June 30 expiration) if their appointment is not to be renewed for the next year of a given residency program.
- c. Housestaff officers with contracts of less than twelve (12) months shall be given notice of non-renewal by the first day after one-half of the housestaff officer's contract.
- d. If the notice is not timely given the employee will be renewed.
- e. Housestaff officers will be informed no later than March 1st if they are not going to be advanced to the next PGY level the following year. After March 1st, advancement may be rescinded by the department if the housestaff officer fails to meet ACGME, ADA, AOA, or APMA requirements or standards for satisfactory completion of all or part of that year and the department has counseled and so advised the housestaff officer in a timely way.

A housestaff officer may seek review for advancement decisions in the same manner as a non-renewal.

B. Should a question arise regarding the timely non-renewal of the appointment or the non-advancement of a housestaff officer, such non-renewal or non-advancement may be appealed by presenting a written appeal no later than fourteen (14) calendar days after the receipt of written notification of non-renewal or non-advancement, to the appropriate Chief of Service. The Chief of Service shall respond to the written appeal within fourteen (14) calendar days following the receipt of the written appeal.

If the Chief of Service's response is adverse to the housestaff officer, the affected officer and/or the CIR may file a written appeal to the Senior Vice-President for Medical Affairs, within fourteen (14) calendar days following the receipt of the response from the Chief of Service.

The Senior Vice-President for Medical Affairs, along with two Chiefs of Service (neither from the affected employee's service) shall review the written appeal. One Chief shall be selected by the Senior Vice-President and one by the union. The panel shall meet within fourteen (14) calendar days of the notice to the Senior Vice-President for Medical Affairs to give the housestaff officer and union an opportunity to present statements and information (such as documents and witnesses) on his/her behalf and to give rebuttal to any statements or documents presented. Members of the panel may ask questions of persons appearing before it and/or arrange for the presentation of any information which would assist it in reaching a decision.

This panel's meeting shall not constitute a hearing, and the rules with respect to the presentation and examination of testimony and evidence used for formal hearings and arbitrations shall not apply. If there are additional issues of

fact or procedure in question, the panel may call for further investigation and meetings before rendering a final, written decision. The panel shall render a decision to accept, reject, or modify the department's decision for non-renewal, such decision to be issued no later than fourteen (14) calendar days from the conclusion of the review. The determination rendered by such Medical Panel shall be final and binding on all parties and shall not be subject to grievance or arbitration.

C. Nothing in this Article shall be construed to prevent the Trust from exercising its managerial rights to direct its employees, take disciplinary action for proper cause, and relieve its employees from duty because of lack of work or for other legitimate reasons.

Article 11

Grievance and Arbitration Procedures

Section 1:

In a mutual effort to provide harmonious working relationships between the parties to this Agreement, it is agreed to and understood by both parties that the following shall be the sole procedure for the resolution of grievances arising between the parties as to the interpretation of and application of the provisions of this Agreement.

The parties further agree that other disputes shall be reviewable and appealable as set forth in other parts of this Agreement and that the union-management committee may address concerns not falling under the grievance/arbitration or other appeal procedures.

Section 2:

Except as otherwise provided in this Agreement, the term “grievance” shall mean:

A. A dispute concerning the application or interpretation of the terms of this collective bargaining agreement;

B. A claimed violation, misinterpretation, or misapplication of the rules, regulations, authorized existing policy, practice, or orders of the Trust affecting housestaff.

The following shall not be considered grievances: a formal or informal counseling, disputes over progress in the educational program, discharge of clinical responsibilities, the timely decision to renew the appointment of a housestaff officer, advancement decisions, a program termination, and any matters for which other appeal procedures are provided for in this Agreement (or otherwise specifically made available to this bargaining unit).

Section 3:

A class grievance (general grievance) shall be defined as any dispute which concerns two or more employees within the bargaining unit. Class grievances should attempt to name all employees or classifications covered in a grievance; however, the absence of a housestaff officer’s name shall not exclude him/her from any final decision or award.

Class grievances, at the option of the union, may be submitted at Step 2.

Section 4:

Each written grievance, when filed, shall contain a brief statement of the facts of the violation claimed (including the date, or approximate date, upon which the violation occurred), together with the article(s) of the contract violated, and the remedy sought.

Section 5:

Grievances shall be processed in accordance with the following procedure:

A grievance may be brought no later than fourteen (14) calendar days after the date on which the grievance arose (or was reasonably likely to have become known) by an individual housestaff officer and CIR, or by CIR alone, and shall be undertaken pursuant to a two (2) step grievance procedure as follows:

- Step 1.** The aggrieved employee, and/or the union, shall discuss the grievance with the concerned Chief of Service or designee. The Chief of Service or designee shall respond to the grievance within (14) fourteen calendar days. Grievances of an administrative nature not directly under the control of the Program Director may be filed with the Director of Physician Services.

- Step 2.** If the grievance has not been satisfactorily resolved in Step 1 thereof, the aggrieved employee and/or the union may appeal to the Chief Medical Officer for Medical Affairs within (14) fourteen calendar days. The Chief Medical Officer for Medical Affairs may conduct a meeting and shall respond to the employee with a copy to the union within (14) fourteen calendar days of the appeal.

Section 6:

Failure by the employee or the union to observe the time limits for submission of a grievance at any step will automatically result in the grievance being considered abandoned. Failure by the Public Health Trust to respond to a grievance within the prescribed time limits will automatically move the grievance to the next step.

Section 7:

Each party shall be allowed one (1) extension of time, not to exceed seven (7) calendar days. This extension can be used only once during the grievance. The other party must be notified of the requested extension. Additional extensions may be granted in good faith settlement discussions or by mutual agreement.

Section 8:

The parties acknowledge that as principle of interpretation, employees are obligated to work as directed while grievances are pending. This does not limit the rights an employee may have under federal, state, or local laws where the employee is faced with an immediate physical danger at work.

Section 9:

Individual grievants and a representative of the grievant class will be permitted to attend any grievance meeting scheduled by the Trust. Meetings will be scheduled at times mutually convenient to the persons involved.

Section 10: Employer Responses

All responses required in Step 1 and Step 2 above shall be directed to the aggrieved employee with a copy furnished to the union. In class grievances, copies will be directed to the union only. A rejection of a grievance at any step of the procedure must contain a statement of the reasons for the rejection.

Section 11: Arbitration

A. If the union is not satisfied with the reply in Step 2 of the grievance procedure, the union shall have thirty (30) days to file a request for arbitration to Federal Mediation and Conciliation Service (FMCS) or American Arbitration Association (AAA) and provide a copy to the Trust.

B. The union shall request a list of seven (7) arbitrators from Federal Mediation and Conciliation Service (FMCS) or American Arbitration Association (AAA). The parties shall each strike from said list, alternately, three (3) names, after determining the first strike by lot, and the remaining name shall be the arbitrator. Nothing herein shall prohibit the parties from agreeing on an impartial arbitrator outside the above procedure.

C. The arbitrator shall promptly conduct the hearing on the grievance at which both parties shall be permitted to present their evidence and arguments pursuant to the Voluntary Labor Arbitration Rules of the American Arbitration Association. The decision of the arbitrator shall be rendered in writing with copies of the award promptly furnished to both parties, no later than thirty (30) calendar days after the conclusion of the hearing, and such decision shall be final and binding.

D. Each party will pay its own expenses and will share equally in expenses incurred mutually in arbitration. Employees required to testify will be made available without loss of pay; however, whenever possible, they shall be placed on call to minimize time lost from work and, unless directly required to assist the principal union representative in the presentation of the case, they shall return to work upon completion of their testimony. The intent of the parties is to minimize time lost from work and disruption of patient care.

E. The arbitrator shall limit his/her opinion to the interpretation or application of this Agreement and shall have no power to amend, modify, nullify, ignore, or add to the provisions of this Agreement.

F. Grievances, as defined, may be submitted regarding the matters contained in the Agreement or arising from conditions of employment. Matters excluded from the grievance procedure are not arbitrable.

Article 12

File Materials

Section 1:

Each housestaff officer shall have access, upon his/her request, to his/her hospital and departmental files, including the right to copy any documents therein, excluding only recommendations received in connection with the hiring of the housestaff officer written on the express condition of confidentiality.

Upon the housestaff officer's request, access to the file(s) and copies shall also be given to the union.

Section 2:

Housestaff officers shall have the right to place in their files a response to any evaluatory or adverse statement in their file.

Section 3:

A. Housestaff officers will be given copies of records of counseling sessions, evaluations, warning or disciplinary letters, adverse reports, and similar documents in a timely fashion.

B. A housestaff officer shall be required to sign and date a form or statement to acknowledge only that he/she was shown or given a copy, but such signature does not necessarily mean agreement or acceptance of any of its contents. If the housestaff officer declines to sign such document, the offer and its date shall be noted and witnessed.

C. Documents listed in 3(A) above (i) not shown, signed, and dated by the housestaff officer as above, or (ii) not offered to the housestaff officer and so noted and witnessed when offered, will not be considered in any disciplinary hearing.

Article 13

Corrective Action, Discipline, and Appeal Procedures

Section 1:

The Chief of Service (hereafter “Chief” or “Chief of Service”) or his/her designee shall periodically consult with the housestaff officer about his/her progress in the residency program and discharge of clinical responsibilities. The Chief of Service shall give notice of any deficiencies, improvement required, and plan to accomplish such, and time within which the improvement must be made.

Continued deficiencies in performance after counseling may result in non-renewal or non-advancement/non-certification, reprimands, or disciplinary action, as below.

The housestaff officer shall regularly be given photocopies of his/her evaluations. The fact and date of counseling shall be documented.

Discipline by the employer or Chief of Service may include relief of the housestaff officer from clinical duties and/or reassignment to other duties, suspension with or without pay, termination for unsatisfactory performance and/or conduct in discharging clinical responsibilities, for conduct unbecoming an employee, or for excessive tardiness or absenteeism.

Section 2:

Any housestaff officer covered by this collective bargaining agreement shall not be discharged or disciplined without just cause. The employer or Chief will follow progressive disciplinary procedures, whenever appropriate, and in all instances will have the burden of proving just cause for disciplinary action.

Whenever it is alleged that a housestaff officer's discharge of clinical responsibilities is unsatisfactory or that he/she has violated any law, rule, regulation, or policy, that housestaff officer shall be so notified and informed of the areas deemed unsatisfactory, or law, rule, regulation, or policy allegedly violated.

The employer or Chief shall initiate an investigation prior to notification to the housestaff officer of a pending disciplinary action. The employer or chief shall conduct the necessary investigation to include full consideration of any documentation submitted by the housestaff officer prior to making a final decision.

The employer or Chief agrees to inform the housestaff officer and union of their right to representation in the disciplinary process. The employer or Chief will give the housestaff officer 48-hours written notice providing date, time, and place that a disciplinary/counseling session is scheduled. This notice will include the law, rules, regulation, or policy allegedly violated and the nature of the alleged violation.

Disciplinary action determinations will not be rendered until the completion of the presentation and rebuttal meetings where the employer or Chief of Service and the housestaff officer, together with his/her representative, through use of documents and witnesses, have opportunity to present their respective cases. Rebuttal meetings should be scheduled within fourteen (14) calendar days, unless time is extended by mutual agreement. The Chief of Service or the employer shall render a written decision within seven (7) calendar days after the rebuttal meeting. The Union and the housestaff officer shall receive a copy of the rebuttal decision.

The housestaff officer may request, within fourteen (14) calendar days, that the Chief Medical Officer for Medical Affairs or his/her designee meet to review or rescind the proposed discipline. The disciplinary action will take effect unless the housestaff officer makes a timely request for review. Unless the Chief Medical Officer rescinds the proposed action, it will become effective following his/her review and decision. The Union and the housestaff officer shall receive a copy of the Chief Medical Officer's decision within (7) seven calendar days.

Section 3: Emergency Situations

Where the Chief of Service, Chief Medical Officer for Medical Affairs, or their designee makes a tentative determination that a housestaff officer's discharge of his/her clinical responsibilities is so unsatisfactory that to allow him/her to continue in his/her assignment would expose patients to unnecessary medical risks and the hospital to unnecessary liability, he/she may, prior to a hearing, temporarily reassign the housestaff officer to duties other than his/her clinical responsibilities.

Section 4:

In the case of a suspension without pay or termination, the President of the Public Health Trust may withhold the housestaff officer's compensation when the action becomes effective, as in Section 2 above, while further appeal process and any subsequent grievance or arbitration is being pursued.

Section 5:

A disciplinary action of a suspension without pay or dismissal may be appealed by the housestaff officer disciplined or the union by petitioning the President of the Public Health Trust for an appeal hearing within fourteen (14) calendar days of receiving notice of the Chief Medical Officer's decision. Any such disciplinary action that is not timely appealed shall be considered final as of the date of receipt of the decision.

Upon receipt of a petition, the President shall direct the Chief Medical Officer for Medical Affairs to appoint a Peer Review Committee, which shall consist of two housestaff officers and two members of the medical staff. The two medical staff members shall be selected by the Chief Medical Officer and the two housestaff officers by the union. The appointment of the committee shall be within seven (7) calendar days of the receipt of the petition. The committee shall meet within five (5) calendar days of their appointment to agree upon a fifth committee member as chairperson (an attending physician other than a housestaff officer) to conduct a hearing regarding discipline. The panel shall conduct a hearing within ten (10) calendar days after the selection of the fifth committee member. The housestaff officer may bring and be assisted by a union representative or counsel of his/her choosing, may present evidence, and may otherwise fully participate in the proceedings.

After a hearing or hearings, the chairperson shall promptly submit a report regarding the Committee's findings and recommendations within fourteen (14) calendar days to the President of the Trust and the union for a final determination regarding the disposition of the disciplinary action under appeal. The President shall issue a written decision to the housestaff officer and the union within thirty (30) calendar days of receipt of the committee's report.

Section 6:

A final determination to terminate the appointment of a housestaff officer shall also terminate any reappointment of the housestaff officer to any subsequent year of training that may have occurred by the terms of this Agreement or otherwise.

Section 7:

If the determination of the President is adverse to the housestaff officer, the Union may request arbitration in accordance with Article 11, Section 11 (B).

Section 8:

Arbitration hereunder shall determine whether just cause or basis exist for the disciplinary action. The arbitrator shall be authorized to accept, reject, or modify the charge or disciplinary action. The arbitrator shall not have the authority to substitute his or her judgment for clinical or academic evaluations, but may issue decisions and create remedies that include impartial evaluation procedures.

Section 9:

Representation and Information: Housestaff officers shall have the right of representation by the union in

investigatory meetings and/or hearings. The housestaff officer and his/her representative shall have the right, prior to all hearings, to receive and review all statements and other documents on which the proposed charges are based, along with other appropriate materials.

At formal hearings (the Peer Review Committee hearing or in arbitration), the housestaff officer shall have the right to confront and question all witnesses, under oath where appropriate, and shall have the full and unimpaired right to present such evidence as the housestaff officer and union may deem necessary.

Section 10:

All written notices required to be sent to the housestaff officer and union pursuant to this article shall be by certified mail or personal delivery by the Chief of Service, Chief Medical Officer, or designees. The date of receipt shall be documented.

Section 11: Reprimands

Reprimands may be appealed by the employee through the grievance procedure up to and including Step 2, but shall not be further appealable to either an arbitrator or to the Peer Review Committee. Within thirty (30) calendar days of the receipt of the Trust's reply to such a grievance at any step of the grievance procedure, the housestaff officer and/or the union shall have the right to file a written response to the written reprimand and have said response inserted in the housestaff officer's personnel folder.

Section 11:

Written reprimands and records of counseling, together with any reference to such reprimands and records of counseling,

excluding performance evaluations, shall cease to be of any force or effect for employment purposes after a two-year period from receipt of the record of counseling or written reprimand in which the housestaff officer has received no further disciplinary action or records of counseling.

Section 12: Rescinded Disciplinary Actions

Documents reflecting disciplines that have subsequently been rescinded shall be appropriately noted as either “no longer in effect” or “rescinded,” in accordance with the requirements of the Florida Public Records Act.

Article 14 Impaired Physician

The Trust will continue to comply with applicable requirements of the Physician Recovery Network (PRN) and to use their services as a primary resource for confidential housestaff post-treatment monitoring. Initial confidential evaluations and treatment will be coordinated by the housestaff officers’ health insurance plan.

Section 1: Toxicology and Alcohol Testing

The Trust and the union recognize that employee substance and alcohol abuse can have an adverse impact on the Public Health Trust’s operations, the image of employees, and the general health, welfare, and safety of the employees and the general public.

Employees reasonably believed to suffer from substance abuse may be referred, at the Trust’s discretion, to the Employee Assistance Program. An employee who voluntarily seeks assistance for substance abuse may not be disciplined for seeking assistance. However, voluntary

participation in a substance abuse program shall not preclude discipline for the employee should job performance or employee conduct issues arise.

It is further understood by the parties that the authority to require that employees submit to such testing be approved by a Chief of Service, or higher authority within the Trust, to ensure proper compliance with the terms of this Article.

The Trust shall have authority to require employees to submit to toxicology and alcohol testing designed to detect the presence of any controlled substance, narcotic drug, or alcohol. The Trust agrees that requiring employees to submit to testing of this nature shall be limited to circumstances that indicate reasonable grounds to suspect that the employee is under the influence of such substances, suffers from substance or alcohol abuse, or is in violation of the Trust Rules regarding the use of such substances.

An employee who is to be tested in accordance with the provisions of this Article will be permitted to make a phone call to the union. This phone call shall not prevent, inhibit, or unreasonably delay the testing of such employee.

The results of such tests, or the employee's refusal to submit to toxicology or alcohol testing, as provided for in this Article, can result in appropriate disciplinary action in accordance with the applicable provisions of the Trust rules and this collective bargaining agreement.

The parties agree that toxicology and alcohol testing are an acceptable part of Public Health Trust required physical examinations.

Section 2: Physical and Psychological Impairment

A Chief of Service or his/her authorized representative shall have the authority to require employees that have been determined, through reasonable suspicion, to possibly suffer from a physical, psychological, or psychiatric impairment, which may prevent the employee from satisfactorily performing the complete duties and responsibilities of their positions, to submit to a physical, medical, psychological, or psychiatric examination deemed necessary for purposes of determining the employee's fitness to perform the complete duties and responsibilities of their position.

Such examinations will be performed by a physician approved and appointed by the Public Health Trust. The results of such examination(s) shall be promptly furnished to the concerned Chief of Service or their authorized representative.

The result of the applicable information submitted by the examining physician to the Public Health Trust should be limited to information that is pertinent to the issues of the employee's ability to perform the duties and responsibilities of their position.

Based upon the results of such examinations and other relevant information, the Chief of Service may place the employee on either paid or unpaid compulsory leave in accordance with the provisions of the leave manual until such time as the Trust is satisfied that the employee can return to work. The Trust may require the employee or attending physician to furnish additional pertinent medical reports or information deemed necessary while the employee is on compulsory leave.

Should the condition be corrected and so certified by the attending physician or psychologist, the employee may

petition the Trust for reinstatement. If the employee's petition for reinstatement is denied by the Chief of Service, disciplinary action must be initiated by the Chief of Service in accordance with the Trust rules. Nothing in the provision of this Article shall prevent the Trust from administering appropriate disciplinary action in accordance with the Trust rules and this collective bargaining agreement.

Article 15

Hospital Committees

Section 1: Union-Management Committee

To maintain good labor relations and to facilitate solving problems of concern to CIR and the Trust, both parties agree to establish a Union-Management Committee. This committee shall be convened quarterly or upon mutual agreement of the parties and shall address issues of concern to either side.

It is understood that appeals of grievances of individual housestaff officers shall not be the subject of these meetings nor shall the meeting be any other purpose which will modify, add to, or detract from the provisions of this Agreement. Matters outside the scope of the grievance and/or arbitration procedures may be subjects for these meetings.

An agenda listing items to be discussed will be forwarded to the other party and receipt confirmed no later than one week prior to the meeting. Only subjects appearing on the agenda will be discussed unless business of an emergency nature is added by mutual consent. Each party will bring no more than four (4) representatives to the meeting as well as a reasonable number of additional persons necessary to discuss and resolve the issues.

Within the authority of the committee participants, both parties will make every effort to implement any agreement or plan which results from these meetings. If the participants are unable to implement the findings and recommendations of the Union-Management Committee, the findings and recommendations will be forwarded in writing to the Chief Executive Officer, Senior Vice-President for Medical Affairs, or designee, as appropriate, for consideration and response within thirty (30) days.

Section 2: Representation on Multi-Disciplinary Medical Staff Committees

A. The parties are jointly committed to the principle of housestaff participation in all standing and special committees which discuss and recommend action which relates to the safety and quality of care rendered to patients and to housestaff working conditions.

B. To this end, a member or members of the bargaining unit will be included as full members of all such committees. The number of housestaff included on any particular committee, where not separately specified elsewhere in this Agreement, shall be by mutual agreement between the parties.

C. The selection of the individual housestaff officers to serve on each committee shall in all cases be at the discretion of the union, which shall inform the employer in writing of the names selected. Whenever more than one (1) employee is to be included on a committee and the committee composition is not separately specified elsewhere in this Agreement, the union will endeavor to select committee employees who are interested in the work of the Committee from different areas, shifts, etc., of the bargaining unit.

D. Existing committees covered by this Article include,

but are not limited to: Utilization Management Committee, Pharmacy and Therapeutics Committee, Infection Control Committee, Health Information Management Committee, Tissue Committee, Transfusion Committee, Cancer Committee, Bio-Ethics Committee, Trauma Committee, Pediatric Bio-Ethics Committee, and Employee Safety Committee.

E. CIR shall be entitled to two (2) representatives on the hospital's Graduate Medical Education (GME) Committee. Housestaff positions will be filled exclusively by housestaff officers selected by the CIR/JMH chapter. CIR may appoint up to two (2) additional representatives when the Chair of the GME committee and union mutually agree that increased representation will increase departmental diversity.

Section 3: Ancillary Support Committee

Both parties agree to establish a joint Ancillary Support Committee to make recommendations regarding ancillary support issues. This committee shall be convened annually or upon mutual agreement of the parties and shall address issues of concern to either side.

An agenda listing items to be discussed will be forwarded to the other party and receipt confirmed no later than one week prior to the meeting. Only subjects appearing on the agenda will be discussed unless business of an emergency nature is added by mutual consent.

Within the authority of the committee participants, both parties will make every effort to implement any agreement or plan which results from these meetings. If the participants are unable to implement the findings and recommendations of the Ancillary Staff Committee, the findings and recommendations will be forwarded in writing to the Chief Executive Officer, Chief Financial Officer, Senior Vice-President for Medical Affairs, or designee, as

appropriate, for consideration and response within thirty (30) days. This response is not subject to the grievance arbitration mechanism.

Article 16

Housestaff Conditions

Section 1: On-Call Rooms

A. The hospital shall provide on-call rooms, bathrooms, and shower facilities which are safe and secure and readily accessible to patient-care areas. The number of on-call rooms shall be sufficient for housestaff officers on duty at night.

On-call rooms shall have functional locks and a key shall be issued to applicable housestaff officers. On-call rooms shall be properly maintained. Such maintenance shall include, but not be limited to: sufficient blankets, pillows, clean linen and towels daily; on-call room bathrooms and showers should be mopped and sanitized on a regular basis. Each on-call room shall have appropriate lighting, chair, working telephones, and a computer when feasible.

B. A list of on-call rooms shall be provided to the union. The hospital shall not change those rooms without sufficient advance notice and discussion with the union and without providing comparable or better facilities.

C. A Union-Management Committee shall be established to: evaluate the current arrangements regarding on-call rooms; make recommendations establishing priorities and time lines for improvements; monitor implementation of the terms of this Article. The committee's recommendations shall be forwarded to the Senior Vice-President for Medical Affairs for a final decision.

The committee shall consider such issues as: replacing rooms housing more than four (4) on-call housestaff; having as many of the designated on-call rooms as possible limited to a maximum of two housestaff per room; ensuring gender privacy; providing lighting, work, and phone facilities that minimize sleep disruption of roommates; and increasing the accessibility of in-hospital “(dummy)” computer terminals in or near on-call rooms.

Section 2: Lounges

A. Bargaining unit employees shall have equal access to employee lounge facilities under the same terms and conditions as other Trust employees.

B. The Public Health Trust shall not change lounge space used by housestaff without reasonable advance notice and discussion with the union and without providing comparable or better space and/or facilities.

C. The PHT agrees to provide adequate lounge space and to make every effort to provide equivalent lounge space for housestaff use in all new facilities.

Section 3: Parking

A. Current policies and practices affecting housestaff regarding parking and parking fees shall be continued for the life of this Agreement.

B. The Union-Management Committee shall review problems and make recommendations about parking at Jackson and outside rotations.

Section 4: Meal Cards

A. The Trust will provide all housestaff officers with a meal card value of \$1,200.00 per residency/academic year,

calculated on an annual rate. Effective July 1, 2006, the yearly card value will be increased to \$1,275.00. Effective July 1, 2007, the yearly card value will be increased to \$1,325.00. Effective July 1, 2008, the yearly card value will be increased to \$1,375.00 calculated on an annual rate. A meal card, as above, is for the reasonable and personal use of the housestaff officer to whom it is issued.

B. Upon request, the Trust shall give the Union a semi-annual printout of meal card utilization.

C. The Trust shall provide a designated line for meal card holders during peak hours to expedite housestaff through cashier lines, and shall consider making changes in cafeteria closing hours to better accommodate housestaff officers' schedules and needs.

B. Released Time. With prior approval from the employee's Program Director, time off with pay shall be allowed to CIR delegates and representatives to allow for participation in activities described in this Agreement. C. The employer shall afford CIR the same rights as afforded other unions or as authorized by law for reservation and use of meeting rooms and space and for access by union staff.

Section 3:

The parties acknowledge that, during the negotiations which preceded this Agreement, each had the unlimited right and opportunity to make demands and proposals with respect to the subject or matter and that the understandings and agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this Agreement. This Agreement, including its supplements and exhibits attached hereto, concludes all collective bargaining between the parties during the term hereto, and constitutes the sole, entire, and existing Agreement between the parties

hereto, and supersedes all prior Agreements and undertakings oral and written, express or implied, or practices, between the employer and the union or its employees, and expresses all obligations and restrictions imposed on each of the respective parties during its term.

Section 4:

Upon ratification and approval, the provisions of this Agreement will supersede personnel rules or administrative orders and/or other rules and regulations in conflict herewith. The employer retains the right to establish through administrative order or personnel rules practices or procedures which do not violate the provisions of this contract.

Article 20 Strikes and Lockouts

There will be no strikes, work stoppages, sick-outs, slowdowns, or other concerted failure or refusal to perform assigned work by the employees or the union and there will be no lockouts by the Trust for the duration of this Agreement. The union guarantees to support the Trust fully in maintaining operations in every way.

Any employee who participates in or promotes a strike, work stoppage, picket line, slowdown or concerted failure or refusal to perform assigned work may be discharged or otherwise disciplined by the Trust.

It is recognized by the parties that the Trust and the union are responsible for and engaged in activities which are the basis of the health and welfare of our citizens and that any violations of this article would give rise to irreparable damage to the Trust and to the public at large.

Accordingly, it is understood and agreed that in the event of any violation of this Article, the Trust shall be entitled to seek and obtain immediate injunctive relief.

It is agreed that the union shall not be responsible for any act alleged to constitute breach of this section if it can show that the union did not instigate, authorize, condone, sanction, or ratify such action, and further, that the union has used every reasonable means to prevent or terminate such action.

It is further agreed that picketing while working is a violation of the contract and state law. The parties recognize, however, that there may be times when a housestaff officer is required to be present at the Trust but is not actually performing work for the Trust (e.g., authorized meal breaks). The parties acknowledge that picketing during such time is lawful, provided that the house officer remains available to respond to patient care pager/beeper calls.

Article 21

Patient Care Fund

Effective July 6, 2003 there will be a Patient Care Fund established in the amount of \$25,000 and it will be funded each academic year thereafter with an additional \$25,000. Any unused funds will rollover to the next academic year. The purpose of this fund is to provide for medical equipment, patient materials, educational supplies, etc. necessary to improve patient care.

The Patient Care Fund committee shall be composed of three (3) union representatives designated by CIR and three (3) management representatives designated by the PHT. The committee shall meet at least twice a year and make

funding recommendations by a majority vote. Reports of the committee's final recommendations will be forwarded to Chief Medical Officer of Medical Affairs or designee for approval.

Article 22 Agreement

Section 1: Severability

Should any part of this Agreement or any portion therein contained be rendered or declared illegal, legally invalid, or unenforceable by a court of competent jurisdiction, or by the decision of any authorized governmental agency, such invalidation of such part of this Agreement shall not invalidate the remaining portions thereof. In the event of such occurrence, the parties agree to meet immediately, and, if possible, to negotiate substitute provisions for such parts of portions rendered or declared illegal or invalid. The remaining parts and provisions of this Agreement shall remain in full force and effect.

Section 2: Successors and Assigns

The provisions of this Agreement shall be binding upon

the parties hereto and upon their successors and assigns for the full term of this Agreement. The parties agree that the terms and obligations herein contained shall not be affected, modified, altered, or changed in any respect by the transfer or assignment by the employer of any or all of its property, control, ownership, or management or by any change in the legal status of the employer or any part thereof.

Article 23

Term of Agreement

Section 1: Duration

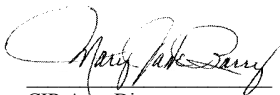

The collective bargaining agreement between the Public Health Trust, Miami-Dade County and the Committee of Interns and Residents (CIR), an affiliate of Service Employees International Union, shall be effective October 1, 2005, except as otherwise provided herein, and continue to September 30, 2008.

Section 2: Renewal and Notice

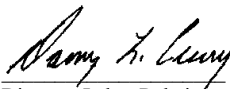

Either party may require, by written notice to the other, no later than June 30, 2008, negotiations concerning modifications, amendments, and renewal of this agreement to be effective October 1, 2008.

FOR THE UNION:

FOR THE TRUST:

CIR Area Director

Director, Labor Relations

Ratified by CIR Housestaff on May 4, 2006.

Approved and ratified by Metro-Dade County Commission on June 20, 2006.

Side Letters of Agreement

During the course of negotiations the following Side Letters were agreed upon:

Re: Article 1 - Recognition/Volunteers

1. It is not the intention of the Trust to increase the number of volunteers currently serving in any housestaff officer position. This shall not prevent the Trust from allowing volunteers to perform work on a short-term voluntary basis for educational, non-credit, purposes outside the Trust's training programs.

Re: Article 2 - Salary Reopener Clarification

It has been determined appropriate to develop a clarification of Article 2, Section 6, Reopener, which reflects the mutual understanding of the parties to this collective bargaining agreement as to the interpretation of this contract language.

Both parties recognize that the issue of an obligation to renegotiate Article 2, Section 6 is contingent upon another county bargaining unit receiving a greater across the board wage adjustment as specified in the applicable wages article of the concerned collective bargaining agreement (i.e., more than the 3%, 3% and 4% wage adjustments the parties have agreed to), or that any across the board wage adjustment is granted on an earlier effective date than which is provided in this bargaining agreement (i.e., before July 2006, July 2007 and July 2008).

Barring unforeseen fiscal exigencies it is the County's intention to propose the same across the board wage adjustment as is granted in other bargaining units.

Any dispute between the parties over whether this unit

is entitled to a wage adjustment because another County unit received such an adjustment, that cannot be resolved between the parties, shall not be grievable or arbitrable but shall be submitted directly to the Board of County Commissioners for final resolution in the form of a collective bargaining impasse decision.

The parties agree to be bound by this agreement.

Re: Article 4 - Union Time Off

Time spent in negotiations representation of employees, committee meetings, or participation in any activities at the behest of, or on behalf of, the Public Health Trust, are not deducted from the union function leave under Article 4, Section 10.

Re: Article 5 - Prevailing Benefits

The Trust shall encourage departments to use their best efforts to continue in effect those authorized, regular, existing practices and benefits — not specifically provided for elsewhere in this Agreement — which are funded by outside sources, to the extent those and/or other sources are available.

Re: Article 10 - Individual Contracts and Renewals

During the round of negotiations leading to the October 1, 1999 to September 30, 2002 collective bargaining agreement, the parties agreed to insert the words which may be in the form of a letter of offer “which outlines the term of appointment, salary, department, PGY level, and references the CIR contract” in Article 10, Section 2.

This change was agreed upon to reflect the PHT’s current practice of using a letter of offer rather than individual contracts. The parties’ agreement to use a letter

of offer is a result of the parties understanding that the collective bargaining agreement governs the terms and conditions of employment for the unit and that individual contract of employment are no longer appropriate. The use of a letter of offer rather than individual contracts is not intended to enhance or diminish any procedural or substantive rights or benefits contained in the collective bargaining agreement.

Re: Article 16 - Miscellaneous

The parties agree to include an annual review of telephonic and in-hours medical translator/interpreter services on the agenda of the Union-Management Committee.

Re: Article 16, Section 7 - Professional Reimbursement Allowance

The parties will cooperate in attempting to have this reimbursement/allowance treated as non-taxable if possible.

Re: Article 17 - Safety and Health

The Trust agrees to provide this bargaining unit with the same language regarding security as negotiated with any other SEIU bargaining unit representing employees at the Public Health Trust.

Re: Housestaff Domestic Partner Benefits Program

The PHT acknowledges that CIR continues to maintain its position that a domestic partner benefits program for housestaff officers should be included in the collective bargaining agreement. CIR intends to advocate for the inclusion of such language before the Board of County Commissioners.

Should the County Commission provide for domestic

partner benefits program the Trust shall incorporate that program into the collective bargaining agreement with regard to housestaff benefits.

Side Letter of Agreement 1 **Housestaff Lounge**

The Trust agrees that one of the housestaff lounges shall be located in Central Building on the first floor. Within 30 days after ratification, the Trust will work with a CIR committee to design, remodel, furnish, and determine all equipment for housestaff lounges as well as discuss other locations for future lounges. The minimum equipment for each lounge will be refrigerator, microwave, computer, and television with cable access where available. The lounge door will be locked and accessible only to housestaff. The Central Building lounge will be fully functional as soon as practicable.

Side Letter of Agreement 2 **Pull Pool Fund Coverage for CIR Annual Convention**

In order to provide pull pool coverage for CIR delegates to attend the CIR annual convention, each academic year the Trust shall maintain a balance of an amount equal to 12 shifts (at the Saturday/Sunday Holiday shift rate) in the pull pool until CIR notifies the Trust in writing to release the unused funds.

Side Letter of Agreement 3 **Rotations**

If the Trust anticipates offering rotations and/or assignments out of Miami-Dade County the Trust shall notify housestaff of such possibility at the time of the original offer of employment/appointment.

Side Letter of Agreement 4 **Process and Notification**

The PHT shall process all housestaff unlicensed physician registrations as well as renewal and/or training requirements for continued employment. Each housestaff will receive written status notification from the PHT ninety (90) days prior to the expiration of her/his unlicensed physician registration, renewal, and/or training requirements for continued employment. It will be the responsibility of each department chairperson or his/her designee to provide such written notification to each housestaff officer. Subsequent to notification, the housestaff officer shall submit the completed application to the GME Office at least thirty (30) days prior to expiration. If a housestaff officer is not properly notified, any subsequent delay in obtaining registration or renewal and required training shall be the responsibility of the PHT. If the housestaff officer's registration and/or training expire due to insufficient notification and/or processing as a result of the Trust's failure to take action within its control, the housestaff officer will be placed on paid administrative leave status until his/her registration or training is current.

Side Letter of Agreement 5 **PHT and CIR Union-Management Partnership**

The purpose of the partnership is to create a high quality, high efficiency health care delivery system by establishing a constructive dialogue between the housestaff and management as well as the other healthcare professionals in order to identify key structural and system challenges facing the Trust and to jointly design and implement possible solutions.

In order to work toward our mutual objectives, the

parties agree to the following:

1. First meeting will be held within two (2) weeks of ratification of the Agreement. Meeting will be at least monthly.
2. Participation in the partnership is voluntary.
3. Partnership communication will be by mutual agreement.
4. To utilize the services of in-house personnel and external expert, selected jointly, shall assist with creating a detailed agreement that defines the initial scope and implementation plans to meet the stated objectives.

The parties agree to the following ground rules:

1. Participation in this partnership is not collective bargaining. Partnership involvement sets no precedent and is not a waiver of any rights or contracts between the parties. Partnership participation does not impact any of the parties' other activities or operation.
2. Process is fully transparent.
3. Any party can end the project at any time upon prior written notice.
4. Other ground rules may be set by the parties.

The parties agree that the decision to accept the partnership recommendations is at the sole discretion of the leadership of the JHS/PHT.

Side Letter of Agreement 6 **Evidence Based Scheduling**

The parties recognize the growing body of evidence linking increased medical errors with extended housestaff shifts of greater than sixteen (16) hours. These extended shifts have also been found to correlate with an increased risk of serious car accidents among housestaff. In the interest of maximizing patient safety and housestaff well-being, the PHT and the Union agree to form an Evidence Based Scheduling Committee to identify shifts greater than

sixteen (16) hours and to recommend strategies to eliminate these extended shifts six (6) months after ratification of the contract.

Side Letter of Agreement 7 **Housestaff Work Environment**

The Trust must provide an educational and work environment in which housestaff may raise and resolve issues without fear and intimidation or retaliation.

Providing housestaff with a sound academic and clinical education must be carefully planned and balanced with concerns for patient safety and resident well-being. Each program must ensure that the learning objectives of the program are not compromised by excessive reliance on housestaff to fulfill service obligations. Didactic and clinical educations must have priority in the allotment of housestaff time and energies. Duty hour assignments must recognize that faculty and residents collectively have responsibility for the safety and welfare of patients.

The Trust must provide services and develop systems to minimize the work of the housestaff that is extraneous to their GME programs and ensure that the following conditions are met:

1. Support services: Patient support service, such as intravenous services, phlebotomy services, and laboratory services, as well as messenger and transporter services, must be provided in a manner appropriate to and consistent with educational objectives and patient care.
2. Laboratory/pathology/radiology services: There must be appropriate laboratory, pathology, and radiology services to support timely and quality patient care. This

- must include effective laboratory, pathology, and radiologic information systems.
3. Medical records: A medical records system that documents the course of each patient's illness and care must be available at all times and must be adequate to support quality patient care, the education of the housestaff, quality assurance activities, and provide a resource for scholarly activity.
 4. Security/safety: Appropriate security and personal safety measures must be provided to housestaff at all locations including but not limited to parking facilities, on-call quarters, hospital and institutional grounds, and related clinical facilities (e.g., medical office building).

Supervision of Housestaff:

1. All patient care must be supervised by qualified faculty. The Program Director must ensure, direct, and document adequate supervision of housestaff at all times. Housestaff must be provided with rapid, reliable system f or communicating with supervising faculty.
2. Faculty schedules must be structured to provide residents with continuous supervision and consultation.
3. Faculty and residents must be educated to recognize the signs of fatigue and adopt as well as apply policies to prevent and counteract the potential negative effects.

Nothing in this Side Letter is intended to diminish or abate management's rights as stated in Article 19.

Side Letter of Agreement 8
Economic Increases
Roll Over Excessive Hours Pool Monies

All economic increases which are scheduled to increase in the month of July, shall take place on the first day of the first pay period of that month.

When the PHT ends the excessive hours pool in 2006, any unused monies shall immediately roll over into the pull coverage pool.

Side Letter of Agreement 9
Enterprise Resource Planning Reopener

The PHT and CIR has the right to reopen this Agreement to discuss issues related to the implementation of the Enterprise Resource Planning (ERP) for a new PHT Human Resource (HR) System. The purpose of this reopener is to be able to address changes in the business processes used to perform certain personnel and payroll transactions, in order to adapt to the functional requirements of the new HR system.

Side Letter of Agreement 10
Safe Patient Handling and Minimal Lift Team

Consistent with the hospital's commitment to provide a safe and healthy workplace for employees and to ensure the highest quality care, the parties agree to make every effort to develop a safe patient handling and minimal lift plan within 120 days after ratification of this Agreement.

The parties agree to form a multi-disciplinary team to develop the plan. The team shall consist of equal members of direct care providers and employer representatives and

others as necessary to develop an effective plan.

The team will present the final recommendations to the Union and the hospital.

The leadership of the hospital will have the final approval of all recommendations.

Side Letter of Agreement 11 **Sexual Harassment**
