

It's Flu Season!

Flu Shots Make It Easier To Stay Healthy

Up to 20 percent of the U.S. population will get the flu this year.* Jackson Health System is looking out for you and your family with our affordable flu vaccine, available at clinics throughout Miami-Dade County. Flu immunizations from Jackson are just \$25 for cash paying patients.**

How To Get Your Flu Shot

Flu shots are available now through February 2018 at the locations listed here, and you don't even need to book an appointment! Simply bring identification, your insurance card (if applicable), and payment to the clinic nearest you, or visit your primary care clinic if you are a Jackson patient.

Flu shots are available to individuals 6 months old and up. Patients younger than 18 years old must be accompanied by a legal guardian.

Where To Go

If you're a current Jackson patient, please visit your primary care clinic or medical home. If you are not a patient, you can visit any of the following locations.
