

15375

600ML BOTTLE WITH LIQUID FOR REF.53673

TECHNICAL SPECIFICATIONS

Capacity	600ml
Weight	0,80Kg
Dimensions (LxWxH)	75x75x190mm

DETAILS

The polymer liquid, when evaporated, restores headlights damaged by weather conditions, bringing them back to their original state, providing a perfect shine and finish in a very quick and cost-effective way.

Advantages:

- ✓ Easy and quick to use.
- ✓ Restores the original color and texture.
