

ref. 52050

# 7 PIECE HOSE CLAMP PLIER SET

## Function

Spring hose clamps are self-adjusting tension clamps for securing hoses to fittings. Once the proper size clamp is placed on a hose, it will tighten firmly using the appropriate pliers on the end of the hose to seal and prevent any leaks.

## Advantages

- ✓ Practical case for storing and transporting the components.
- ✓ Easy to use
- ✓ Light-weight

## Contains:

13707	SWIVEL JAW SPRING WIRE CLIP PLIERS
13708	SWIVEL JAW BAND CLIP PLIERS
13709	FLAT BAND CLIP PLIERS
13710	45° CIRCLIP PLIERS
