

ref. 52233

DIGITAL BATTERY TESTER WITH PRINTER

Function

Designed for evaluate the remaining life of the battery through resistance and voltage tests.

Advantages

- ✓ For use with 6V and 12V batteries
- ✓ Charging and opening systems of 12V and 24V
- ✓ 180cm cable set
- ✓ With printer

Incudes

- ✓ 6X1.5 AA batteries
- ✓ Thermal paper

Technical specifications

Volt measurement	1.5-30V
Operating range	40-2000 CCA
