3/4" 1.020MM SWIVEL HEAD RATCHETED BREAKER BAR

TECHNICAL SPECIFICATIONS

Pieces	1
Square measure	3/4"
Material	CRV
Lenght	1020mm
Weight	3,60Kg

DETAILS

This handle allows high-torque tightening and loosening of nuts and bolts. It features a 180-degree flexible head and a length of up to 1,020 mm. It works at any angle, making it ideal for reaching tight spaces and providing optimized leverage.
