

ref. **52985**

# 1T COLLAPSIBLE CRANE

## Function

Hydraulic workshop cranes are indispensable for lifting heavy loads and performing maintenance operations on mechanical or handling equipment. They can be used in workshops, warehouses and even the 1-ton crane can be transported in vehicles thanks to its folding system.

## Advantages

- ✓ Easy to manage
- ✓ Easy to move
- ✓ Foldable

## Technical specification

Capacity	<b>1T</b>
Max. Load	<b>1,25T</b>
Lifting range	<b>70-2160mm</b>
Boom extension range	<b>81-105</b>
Ram stroke	<b>460mm</b>
Product size	<b>1460x1460mm</b>
Base length	<b>1460mm</b>
