

ref. 53241

UNIVERSAL RUBBER CARPET

Function

Car mats have two main functions, regardless of aesthetics, and they are protection and safety. The mats protect the floor of the vehicle from water/damp/dirt and small objects, which we can carry in our shoes, including sometimes small glass that can damage the floor of the car.

Advantages

- ✓ High quality rubber
- ✓ High resistance
- ✓ Adaptable to most vehicles
- ✓ Hanger

Dimensions

635x445mm	2PCS
330x430mm	2PCS
