## AIR INFLATOR WITH DIGITAL GAUGE

### Description

The digital tire inflator gun is a tool designed to inflate tires efficiently and accurately. Equipped with a digital gauge, this device allows you to monitor tire pressure in real-time.

### Advantages

- ✓ Battery level indicator
- ✓ Protective rubber gauge guard
- ✓ Air bleed button for accurate pressure adjustment
- ✓ 300mm kink resistant hose
- ✓ Brass air chuck clip
- ✓ EU Industrial Standard fitting

### Contains

- Green backlit display with auto timer off
- Large numerical display with user selectable pressure units
- Pressure sensing auto wake up display
- Digital Pressure Gauge

### Technical specifications

Pressure	0-14 bar / 0-200 psi
Batteries	2xAAA batteries (included)
Fast connection	1/4"
