MAGNETIC LIGHT SPHERE

53528
52,00€

RRP

0,75	10	240
Kg	lit	

The focus can also be separated from the magnetic base and used as a flashlight.

300 Lm	LED 3W COB	x1 3.7V 2600mAh	4-5H	
300Lm 150Lm	2,5H 5H			

The magnetic connection between the lamp and the base allows a **total free placement by turning it 360°** in any direction, reaching a great versatility of positions.

The magnetic base allows it to be installed in many positions.
