TECHNICAL FILE REF. NO. :

TF-C-0330-15-32-04-2B

Based on a voluntary assessment, the technical file, accompanying documentation and the equipment which they describe have been found to be in compliance with the requirements of the Machinery Directive 2006/42/EC.

The responsible person defined above has responsibility for ensuring that all future serial manufacture of the machinery conforms to the specification detailed in the technical documentation referenced above.

A CE marking should not be fixed to the equipment until the requirements of all relevant directives have been met
