

ref. **53798**

ANTI-FOG PROTECTION MASK

Function

Complete face protection, providing high comfortability by means of its inner foam. It allows for an easy breathing thanks to its on-screen anti-fog treatment.

Advantages

- Light and comfortable
- Compatible with the use of goggles, masks or other protection items.
- On-screen anti-fog treatment.
- Adjustable.
- Material optically clear for a maximum visibility.
- Rubber strip for a proper adjustment.
