#### USE INSTRUCTIONS

1. Wash your hands previously with water and soap or any other hidroalcoholic solution.
2. Hold the mask by the headbands and place them on both sides of the ears so that the mask covers the nose and the mouth, and the lower part of the mask to the chin.
3. Do not use the mask for more than 4 hours and do not touch it with your hands while in use.
4. Replace it for a new one in case it gets worn or damp.
5. Remove the mask without touching the frontal part and dispose into the suitable container.
6. The mask must not be placed over the forehead or chin while in use or after.
