

ref. 54020

ROBOT VACUUM CLEANER

Function

This robot Hoover is a self-contained Hoover with intelligent programming designed to vacuum surfaces.

Advantages

- ✓ Lightweight
- ✓ Saves time and effort
- ✓ Suction and scrubbing system
- ✓ Autonomy
- ✓ Programming with mobile application
- ✓ Easy to program
- ✓ Takes up little space
- ✓ Reaches inaccessible areas

Technical specifications

Robot dimensions	35x35x8.5cm
Power	20W
Battery	Li-ion 14.8V 2600mAh
Suction power	1200 Pa
Water tank capacity	300ml
Dust tank capacity	300ml
Working time	100~180min
Charging time	4~5horas
Maximum surface covered	120m ²
Speed	20cm/s
Sound level (dB)	68
Weight	3.4kg
