## SUMMARY

This set of combination wrenches offers a wide range of sizes, ideal for a variety of tasks. Each wrench features a ratchet design on one end and a fixed head on the other, providing versatility and efficiency when tightening and loosening bolts and nuts. Perfect for keeping your workshop organized and ready for any task.

Special action ratchet with 90 teeth: They offer a smaller action angle (4° per click), allowing work in tighter spaces or places where the range of movement is limited.

The case includes wrenches in the following sizes: 6, 7, 8, 9, 10, 11, 12, 13, 14, 15, 16, 17, 18, 19, 20, 21, 22, 23, 24, 27, 30, and 32 mm.
